For more than twenty years, Editor's ToolKit Plus has been the premier editing add-in for Microsoft Word, easing the workload of editors all over the world. With the release of the 2022 version of the program, the documentation for the program is at long last available as a printed book, with wide pages that make it easy to leave the book open on your desk for ready reference, and expansive margins with plenty of room for notes. The book includes detailed instructions for all of the program's features, including such new ones as: Projects. Save (and then later reopen) all the documents related to a specific project. Switcheroo. Instantly switch between words or phrases, such as last and past, or loose and lose. Lookups. Automatically look up the currently selected text in online dictionaries, encyclopedias, and other reference works. Document Converter. Export documents in a different format (such as ePub or Markdown). Of course, a searchable, hyperlinked PDF of this book is included with the program itself, but for ease of use, it's tough to beat paper pages. This printed edition of Editor's ToolKit Plus 2022 User Manual gives them to you. Many of the people responsible for a website don't have a clue what's required to build one and keep it up and running. The job of planning, launching, and managing a site often falls to people who have little or no experience in web design or development. Website Owner's Manual is for the thousands of marketers, IT managers, project leaders, and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy-to-follow lists and diagrams, and other friendly touches, Website Owner's Manual helps readers form a vision for a site, guide them through the process of selecting a web design agency, and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing, and web development techniques. Using Website Owner's Manual, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePub, and Kindle eBook from Manning. Also available is all code from the book.
