Christ in Crisis? Dec 27 2020
Writing in response to our current "constitutional crisis," New York Times bestselling author and Christian activist Jim Wallis urges America to return to the tenets of Jesus once again as the means to save us from the polarizing bitterness and anger of our tribal nation. In *Christ in Crisis* Jim Wallis provides a path of spiritual healing and solidarity to help us heal the divide separating Americans today.

Building on "Reclaiming Jesus"—the declaration he and other church leaders wrote in May 2018 to address America's current crisis—Wallis argues that Christians have become disconnected from Jesus and need to revisit their spiritual foundations. By pointing to eight questions Jesus asked or is asked, Wallis provides a means to measure whether we are truly aligned with the moral and spiritual foundations of our Christian faith. "Christians have often remembered, re-discovered, and returned to their obedient

discipleship of Jesus Christ—both personal and public—in times of trouble. It's called coming home," Wallis reminds us. While he addresses the dividing lines and dangers facing our nation, the religious and cultural commentator's focus isn't politics; it's faith. As he has done throughout his career, Wallis offers comfort, empathy, and a practical roadmap. *Christ in Crisis* is a constructive field guide for all those involved in resistance and renewal initiatives in faith communities in the post-2016 political context.
I Know Why the Caged Bird Sings
Mar 18 2020 Here

is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her

mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya

Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin
[America's Original Sin](#) Nov 18 2022
The first book to explicitly name white supremacy as the motivation for Lincoln's assassination, America's Original Sin is an important and eloquent look at one of the most notorious episodes in American history.
The Color of Compromise Jul 22 2020
In The Color of Compromise, Jemar Tisby takes readers back to the roots of sustained racism and injustice in the American church. Filled with powerful stories and examples of

American Christianity's racial past, Tisby's historical narrative highlights the obvious ways people of faith have actively worked against racial justice, as well as the complicit silence of racial moderates. Identifying the cultural and institutional tables that must be flipped to bring about progress, Tisby provides an in-depth diagnosis for a racially divided American church and suggests ways to foster a more equitable and inclusive environment among God's people. Book jacket.

The Cambridge Companion to Black Theology

Apr 11 2022 A

comprehensive look at black theology and its connection with major doctrinal themes within Christianity from a global perspective.

God's Politics Sep 23 2020 Wallis' book is a scathing indictment of the hijacking of the US political agenda by conservative evangelicals. And, while the Right argues that God's way is their way, the Left pursues an unrealistic separation of religious values from morally grounded political leadership.

The Negro Motorist Green Book Nov 13 2019 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist

Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and

new business places are started giving added employment to members of our race.

White Lies Jan 16 2020 What can you do to be a force for racial justice? Many White Christians are eager to fight against racism and for racial justice. But what steps can they take to make good, lasting change? How can they get involved without unintentionally doing more harm than good? In this practical and illuminating guide drawn from more than twenty years of cross-cultural work and learning from some of the greatest leaders of color, pastor and racial justice advocate Daniel Hill

provides nine practices rooted in Scripture that will position you to be an active supporter of inclusion, equality, and racial justice. With stories, studies, and examples from his own journey, Hill will show you: How to get free of the impact of White supremacy individually and recognize that it works systemically How to talk about race in an intelligent and respectful way How to recognize which strategies are helpful and which are harmful What you can do to make a difference every day, after protests and major events We cannot experience wholistic justice without confronting

and dismantling White supremacy. But as we follow Jesus--the one who is supreme over all things--into overturning false power systems, we will become better advocates of the liberating and unconditional love that God extends to us all.

How to Be a (Young)

Antiracist Dec 15 2019 The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, How to be a (Young) Antiracist will serve as a guide for teens seeking a way

forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be a (Young) Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to

carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so. *On God's Side* Aug 23 2020 This classic that has been inspiring and challenging readers to a spiritual adventure for over a century now gets an updated look for a new generation. *Good White People* Apr 30 2021 Argues for the necessity of a new ethos for middle-class white anti-racism. Building on her book *Revealing Whiteness*, Shannon Sullivan

identifies a constellation of attitudes common among well-meaning white liberals that she sums up as "white middle-class goodness," an orientation she critiques for being more concerned with establishing anti-racist bona fides than with confronting systematic racism and privilege. Sullivan untangles the complex relationships between class and race in contemporary white identity and outlines four ways this orientation is expressed, each serving to establish one's lack of racism: the denigration of lower-class white people as

responsible for ongoing white racism, the demonization of antebellum slaveholders, an emphasis on colorblindness—especially in the context of white childrearing—and the cultivation of attitudes of white guilt, shame, and betrayal. To move beyond these distancing strategies, Sullivan argues, white people need a new ethos that acknowledges and transforms their whiteness in the pursuit of racial justice rather than seeking a self-righteous distance from it.

Beyond Racial Gridlock Dec 07 2021 Sociologist George Yancey critiques four

models of race (colorblindness, Anglo-conformity, multiculturalism and white responsibility), and introduces a new model (mutual responsibility). He offers hope that people of all races can walk together on a shared path toward racial reconciliation—not as adversaries but as collaborators and partners. **White Fragility** Oct 17 2022 The International Bestseller 'With clarity and compassion, DiAngelo allows us to understand racism as a practice not restricted to "bad people." In doing so, she moves our national discussions forward. This is a necessary book for

all people invested in societal change' Claudia Rankine Anger. Fear. Guilt. Denial. Silence. These are the ways in which ordinary white people react when it is pointed out to them that they have done or said something that has - unintentionally - caused racial offence or hurt. After, all, a racist is the worst thing a person can be, right? But these reactions only serve to silence people of colour, who cannot give honest feedback to 'liberal' white people lest they provoke a dangerous emotional reaction. Robin DiAngelo coined the term 'White Fragility' in 2011 to describe this process and is

here to show us how it serves to uphold the system of white supremacy. Using knowledge and insight gained over decades of running racial awareness workshops and working on this idea as a Professor of Whiteness Studies, she shows us how we can start having more honest conversations, listen to each other better and react to feedback with grace and humility. It is not enough to simply hold abstract progressive views and condemn the obvious racists on social media - change starts with us all at a practical, granular level, and it is time for all white people to take responsibility

for relinquishing their own racial supremacy. 'By turns mordant and then inspirational, an argument that powerful forces and tragic histories stack the deck fully against racial justice alongside one that we need only to be clearer, try harder, and do better' David Roediger, Los Angeles Review of Books 'The value in White Fragility lies in its methodical, irrefutable exposure of racism in thought and action, and its call for humility and vigilance' Katy Waldman, New Yorker 'A vital, necessary, and beautiful book' Michael Eric Dyson **Not So Black and White** Jul 02 2021 As seen on Good

Morning America! Reggie Dabbs and John Driver--a Black man and a white man, and longtime friends--engage in a courageous, respectfully honest, challenging exploration of racism in America, including how Black and white Christians can come together to fight the evils of racism within our hearts and our systems, including our churches. White privilege. Black Lives Matter. George Floyd. When it comes to racism in America, many of us feel confused, overwhelmed, angry--and eager to know how to engage in meaningful conversations and actions surrounding

such a difficult topic. In *Not So Black and White*, public school communicator and internationally acclaimed speaker Reggie Dabbs and pastor John Driver team up to offer a hope-filled, convicting, inspiring look at how to be anti-racist in America today. Through Reggie and John's honest conversations, you will: Hear the stories of fellow believers who have found ways to reach across the racial barrier with humility, empathy, and forgiveness Understand a simple yet robust history of racism in America and in the church, including its role in systems, policies, and

individual actions Discover fully biblical yet culturally wise responses to the challenges of racism in yourself and your community Come away with fresh thought processes and practical steps for what you can do to think rightly and engage bravely in conversations and actions to end racism *Not So Black and White* is a compelling resource for pastors, teachers, and community leaders who want to read about issues of racism from a biblical and a historical perspective. For readers of all denominations and backgrounds, *Not So Black and White* equips us to engage

together in the intentional work of dismantling racism, just as the gospel calls us to do.

A More Perfect Reunion May 20 2020 A provocative case for integration as the single most radical, discomfiting idea in America, yet the only enduring solution to the racism that threatens our democracy. Americans have prided ourselves on how far we've come from slavery, lynching, and legal segregation-measuring ourselves by incremental progress instead of by how far we have to go. But fifty years after the last meaningful effort toward civil rights, the US remains

overwhelmingly segregated and unjust. Our current solutions -- diversity, representation, and desegregation -- are not enough. As acclaimed writer Calvin Baker argues in this bracing, necessary book, we first need to envision a society no longer defined by the structures of race in order to create one. The only meaningful remedy is integration: the full self-determination and participation of all African-Americans, and all other oppressed groups, in every facet of national life. This is the deepest threat to the racial order and the real goal of civil rights. At once a profound, masterful

reading of US history from the colonial era forward and a trenchant critique of the obstacles in our current political and cultural moment, *A More Perfect Reunion* is also a call to action. As Baker reminds us, we live in a revolutionary democracy. We are one of the best-positioned generations in history to finish that revolution.

Self-Portrait in Black and White
Feb 26 2021 A SUNDAY TIMES BOOK OF THE YEAR A TIME 'MUST-READ' 'An extraordinarily thought-provoking memoir that makes a controversial contribution to the fraught debate on race and racism . . .

intellectually stimulating and compelling' SUNDAY TIMES A reckoning with the way we choose to see and define ourselves, *Self-Portrait in Black and White* is the searching story of one American family's multi-generational transformation from what is called black to what is assumed to be white. Thomas Chatterton Williams, the son of a 'black' father from the segregated South and a 'white' mother from the West, spent his whole life believing the dictum that a single drop of 'black blood' makes a person black. This was so fundamental to his self-conception that he'd never

rigorously reflected on its foundations - but the shock of his experience as the black father of two extremely white-looking children led him to question these long-held convictions. It is not that he has come to believe that he is no longer black or that his daughter is white, Williams notes. It is that these categories cannot adequately capture either of them - or anyone else, for that matter. Beautifully written and bound to upset received opinions on race, *Self-Portrait in Black and White* is an urgent work for our time.

[America's Original Sin](#) Feb 21 2023
America's problem with race has deep roots, with the

country's foundation tied to the near extermination of one race of people and the enslavement of another. Racism is truly our nation's original sin. "It's time we right this unacceptable wrong," says bestselling author and leading Christian activist Jim Wallis. Fifty years ago, Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice. Yet as recent tragedies confirm, we continue to suffer

from the legacy of racism. The old patterns of white privilege are colliding with the changing demographics of a diverse nation. The church has been slow to respond, and Sunday morning is still the most segregated hour of the week. In *America's Original Sin*, Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society. He speaks candidly to Christians--particularly white Christians--urging them to cross a new bridge toward racial justice and healing. Whenever divided cultures and gridlocked power structures

fail to end systemic sin, faith communities can help lead the way to grassroots change. Probing yet positive, biblically rooted yet highly practical, this book shows people of faith how they can work together to overcome the embedded racism in America, galvanizing a movement to cross the bridge to a multiracial church and a new America. *America's Original Sin* Dec 19 2022

Fifty years ago Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo. His participation in the civil rights movement brought him back when he discovered a faith

that commands racial justice. He shows that, as a nation, we continue to suffer from the legacy of racism, and the church has been slow to respond. Here he offers a deeply personal call to action in overcoming the racism so ingrained in American society.

[The New Reformation](#) Apr 18 2020

In the sixteenth century, the church faced a doctrinal crisis. Today, the crisis is race. We all know that racial unity is important. But what's the right way to approach it? How can Christians of different ethnicities pursue unity in an environment that is so highly charged

and full of landmines on all sides? In *The New Reformation*, Christian hip-hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity. When it comes to ethnicity, Christians today have to fight against two tendencies: idolatry and apathy. Idolatry makes ethnicity ultimate, while apathy tends to ignore it altogether. But there is a third way, the way of the Bible. Shai explains how ethnicity—the biblical word for what we mean by “race”—exists for God’s glory. Drawing from his experience as an artist-theologian, church planter, and pastor, Shai will help you chart a

new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God.

White Flights Jan 28 2021 A bold, incisive look at race and reparative writing in American fiction, by the author of *Your Face in Mine*. *White Flights* is a meditation on whiteness in American fiction and culture from the end of the civil rights movement to the present. At the heart of the book, Jess Row ties “white flight”—the movement of white Americans into segregated communities, whether in suburbs or newly gentrified downtowns—to white writers

setting their stories in isolated or emotionally insulated landscapes, from the mountains of Idaho in Marilynne Robinson’s *Housekeeping* to the claustrophobic households in Jonathan Franzen’s *The Corrections*. Row uses brilliant close readings of work from well-known writers such as Don DeLillo, Annie Dillard, Richard Ford, and David Foster Wallace to examine the ways these and other writers have sought imaginative space for themselves at the expense of engaging with race. *White Flights* aims to move fiction to a more inclusive place, and Row looks beyond

criticism to consider writing as a reparative act. What would it mean, he asks, if writers used fiction “to approach each other again”? Row turns to the work of James Baldwin, Dorothy Allison, and James Alan McPherson to discuss interracial love in fiction, while also examining his own family heritage as a way to interrogate his position. A moving and provocative book that includes music, film, and literature in its arguments, *White Flights* is an essential work of cultural and literary criticism. [White Awake](#) Oct 05 2021 You may be white, but that doesn't mean you have no culture.

Charting his own journey toward understanding his white identity, Daniel Hill shows us the seven stages we encounter on the path to cultural awakening. This timely book will give you a new perspective on being white and also empower you to be an agent of reconciliation in our increasingly diverse and divided world.

Kingsblood Royal
Nov 25 2020

White as Sin Jul 14 2022 Changing the Conversation about Race in America If we are ever to find a cure for America's racial dysfunction, it's not enough to know what has happened; we must also understand why. Why have people of European descent

oppressed their racial "other," and why have we never been able to move beyond the resulting racial hierarchy? In *White as Sin* public theologian Scott Garber asks and answers the why question, offering prophetic insight and practical solutions. *White as Sin* identifies a moral flaw embedded in the very soul of white identity, showing how that defect enables an entire litany of racial ills. Moreover, this book explains the mindset that sustains a sinful solidarity between yesterday and today. It takes us on an epic journey into the origins of whiteness. It explores the twisted

recesses of racial injustice. It lays bare our own hearts and our own hypocrisies. Ultimately, however, *White as Sin: A New Paradigm for Racial Healing* is just that—a formula for hope and healing. The author outlines a transformational process designed to change not just what we do but who we are, one that seeks to right the wrongs of the past and lay the foundation for a beloved community.

A Sin by Any Other Name Aug 15 2022 A descendant of Confederate General Robert E. Lee chronicles his story of growing up with the South's most honored name, and the

moments that forced him to confront the privilege, racism, and subversion of human dignity that came with it. With a foreword by Rev. Dr. Bernice A. King. The Reverend Robert W. Lee was a little-known pastor at a small church in North Carolina until the Charlottesville protests, when he went public with his denunciation of white supremacy in a captivating speech at the MTV Video Music Awards. Support poured in from around the country, but so did threats of violence from people who opposed the Reverend's message. In this riveting memoir, he narrates what it

was like growing up as a Lee in the South, an experience that was colored by the world of the white Christian majority. He describes the widespread nostalgia for the Lost Cause and his gradual awakening to the unspoken assumptions of white supremacy which had, almost without him knowing it, distorted his values and even his Christian faith. In particular, Lee examines how many white Christians continue to be complicit in a culture of racism and injustice, and how after leaving his pulpit, he was welcomed into a growing movement of activists all across the South

who are charting a new course for the region. *A Sin by Any Other Name* is a love letter to the South, from the South, by a Lee—and an unforgettable call for change and renewal. [*A White Catholic's Guide to Racism and Privilege*](#) May 12 2022 Growing up, Fr. Daniel P. Horan, O.F.M., never thought much about race, racism, or racial justice except for what he read in history books. His upbringing as a white, middle-class Catholic shielded him from seeing the persistent, pervasive racism all around him. Horan shares what he has since learned about uncovering and combatting racial

inequity in our nation and in our Church, urging us to join the fight. In the spring and summer of 2020, US cities erupted in protests and racial tensions ran high following several high-profile killings of Black women and men at the hands of white police officers. As America watched and listened, many of us became dislodged from our comfortable assumptions about race. Horan recognized this unnerving dynamic as a doorway to the awakening and spiritual conversion he has been undergoing for much of his adult life. In *A White Catholic's Guide to Racism and Privilege*, Horan

speaks prophetically to what has become a gnawing unease for so many. With candid critique and reflection, Horan helps us make sense of crucial issues such as: The difference between what sociologists call common-sense racism and systemic racism. What is meant by white privilege and how it contributes to racial injustices. The Catholic Church's teachings about racism, how those can still be developed, and what those teachings require of us. Combatting racism in our everyday lives. As a white man, Horan shows his fellow white Catholics how to become actively anti-racist and

better allies to our Black brothers and sisters as we work against racism in our culture and in the Church. He offers us the hope and surety of the Gospel, the wisdom of Catholic tradition, and some practical ways to educate ourselves and advocate for justice. Each chapter includes a substantial suggested-reading list. This book is perfect for individual or group study.

The Sum of Us Jan 08 2022 NEW YORK TIMES BESTSELLER • LONGLISTED FOR THE NATIONAL BOOK AWARD • One of today's most insightful and influential thinkers offers a powerful exploration of

inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist Look for the author’s new podcast, The Sum of Us, based on this book! Heather McGhee’s specialty

is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply

personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and inequality

increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally

realize that life can be more than a zero-sum game. **LONGLISTED FOR THE ANDREW CARNEGIE MEDAL**
America's Original Sin Mar 10 2022
The Book of a Thousand Sins Feb 15 2020 Delve into the tantalizing works of Wrath James White with this thrilling romp through 15 of his most disturbing stories. Devilishly thought provoking, this collection explores some of the darkest aspects of lust, faith, death and human nature. Travel with the downtrodden and the disillusioned through personal hells of their own making, populated by terrifying monsters and skulking demons.

Not for the faint of heart, this collection is a wild ride. *White Rage* Jun 20 2020 THE NEW YORK TIMES BESTSELLER From the Civil War to our combustible present, *White Rage* reframes the continuing conversation about race in America, chronicling the history of the powerful forces opposed to black progress. Since the abolishment of slavery in 1865, every time African Americans have made advances towards full democratic participation, white reaction has fuelled a rollback of any gains. Carefully linking historical flashpoints - from the post-Civil War

Black Codes and Jim Crow to expressions of white rage after the election of America's first black president - Carol Anderson renders visible the long lineage of white rage and the different names under which it hides. Compelling and dramatic in the history it relates, *White Rage* adds a vital new dimension to the conversation about race in America.

ROBIN DIANGELO,

AUTHOR OF
WHITE FRAGILITY
Whiteness Sep 16
2022 In 50 short, sharp, incisive essays, Jim Goad examines why the idea of being white has become the modern version of the unpardonable sin.

White Too Long
Aug 03 2021
"WHITE TOO LONG draws on history, statistics, and memoir to urge that white Christians reckon with the racism of the past and the amnesia of the present to restore a Christian identity free of the taint of white supremacy"--

[The End of White Christian America](#)
Nov 06 2021 "The founder and CEO of Public Religion Research Institute (PRRI) and

columnist for the Atlantic describes how white Protestant Christians have declined in influence and power since the 1990s and explores the effect this has had on America,"-- NoveList.
White Evangelical Racism Feb 09 2022 The American political scene today is poisonously divided, and the vast majority of white evangelicals play a strikingly unified, powerful role in the disunion. These evangelicals raise a starkly consequential question for electoral politics: Why do they claim morality while supporting politicians who act immorally by most Christian

measures? In this clear-eyed, hard-hitting chronicle of American religion and politics, Anthea Butler answers that racism is at the core of conservative evangelical activism and power. Butler reveals how evangelical racism, propelled by the benefits of whiteness, has since the nation's founding played a provocative role in severely fracturing the electorate. During the buildup to the Civil War, white evangelicals used scripture to defend slavery and nurture the Confederacy. During Reconstruction, they used it to deny the vote to newly emancipated blacks. In the twentieth century,

they sided with segregationists in avidly opposing movements for racial equality and civil rights. Most recently, evangelicals supported the Tea Party, a Muslim ban, and border policies allowing family separation. White evangelicals today, cloaked in a vision of Christian patriarchy and nationhood, form a staunch voting bloc in support of white leadership. Evangelicalism's racial history festers, splits America, and needs a reckoning now. **America's Original Sin** Jun 13 2022 **Caste** Oct 13 2019 #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK

CLUB PICK • "An instant American classic and almost certainly the keynote nonfiction book of the American century thus far."—Dwight Garner, *The New York Times* The Pulitzer Prize-winning, bestselling author of *The Warmth of Other Suns* examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. #1 NONFICTION BOOK OF THE YEAR: Time ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, The New York Times, Los Angeles Times, The Boston

Globe, O: The Oprah Magazine, NPR, Bloomberg, The Christian Science Monitor, New York Post, The New York Public Library, Fortune, Smithsonian Magazine, Marie Claire, Slate, Library Journal, Kirkus Reviews Winner of the Carl Sandberg Literary Award • Winner of the Los Angeles Times Book Prize • National Book Award Longlist • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist • Kirkus Prize Finalist “As we go about our

daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.” In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a

rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people’s lives and behavior and the nation’s fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball’s Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow

of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity.

Original and revealing, *Caste: The Origins of Our Discontents* is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today.

How to Fight Racism Oct 25
2020 Winner of the 2022 ECPA Christian Book Award for Faith & Culture How do we effectively confront racial injustice? We need to move beyond talking about racism and start equipping ourselves to fight against it. In this follow-up to the New York Times Bestseller *the Color of Compromise*, Jemar Tisby offers an array of actionable items to

confront racism. *How to Fight Racism* introduces a simple framework—the A.R.C. Of Racial Justice—that teaches readers to consistently interrogate their own actions and maintain a consistent posture of anti-racist behavior. The A.R.C. Of Racial Justice is a clear model for how to think about race in productive ways: Awareness: educate yourself by studying history, exploring your personal narrative, and grasping what God says about the dignity of the human person. Relationships: understand the spiritual dimension of race relations and how authentic

connections make reconciliation real and motivate you to act. Commitment: consistently fight systemic racism and work for racial justice by orienting your life to it. Tisby offers practical tools for following this model and suggests that by applying these principles, we can help dismantle a social hierarchy long stratified by skin color. He encourages rejection of passivity and active participation in the struggle for human dignity. There is hope for transforming our nation and the world, and you can be part of the solution.

White Party, White Government Mar 30 2021 White Party,

White Government examines the centuries-old impact of systemic racism on the U.S. political system. The text assesses the development by elite and other whites of a racialized capitalistic system, grounded early in slavery and land theft, and its intertwining with a distinctive political system whose fundamentals were laid down in the founding decades. From these years through the Civil War and Reconstruction, to the 1920s, the 1930s Roosevelt era, the 1960s Johnson era, through to the Ronald Reagan, George H.W. Bush, and Barack Obama presidencies,

Feagin exploring the effects of ongoing demographic changes on the present and future of the U.S. political system.

Mercy in Action Jun 01 2021 Since his election in 2013, Pope Francis has tackled many issues of urgent reform within the church. *Mercy in Action* explores Pope Francis's efforts to renew Catholic social teaching—the guidance the church offers on matters that pertain to social justice in the world. The book examines what Pope Francis has said, done, and written on six critical social issues today—economic inequality, worker justice, preserving the environment,

healthy family life, the plight of refugees, and peacemaking. The book also highlights both continuity and change in Catholic social teaching. Author Thomas Massaro illustrates how on each social issue—from expressing solidarity with unemployed workers to writing an encyclical addressing environmental degradation and climate change—Pope Francis has worked to update the church’s message of social justice and mercy.
