At the book's core is Annie Botticelli's ASTRO system, which enables readers to align with each planet's motion through: Awareness (projects to work with each planet); Strategy (how to plan ahead for each cycle); Techniques (exercises that range from tapping to mineral soaks and detoxes to mantras); Remedies (such as crystals and homeopathy, all tuned into the planet under discussion); and Openness to unexpected, perhaps unwanted outcomes brought to you by Divine plan. These techniques, such as prayer and meditation, allow you to be receptive to the great universal flow that supersedes any one planetary cycle. A guide to using astrology for personal empowerment. A world-renowned astrologer reveals the path to successful relationships.... In this powerful guide, astrology expert Jan Spiller shows you how the practical science of astrology can lead to real-life results in the realm of intimate relationships. Moving beyond the commonly known sun-sign profiles, Spiller delves into the meanings and mysteries of your personal North Node—the vital point where the orbits of the earth, moon, and sun intersect—to help you bring love into your life. For more than thirty years, she has studied how the effects of the Nodes of the Moon help us steer our life force in positive ways, accept the possibilities the universe has placed in our path, and stop sabotaging relationships. By locating the position of your North Node, which can be found in the chart provided, and the house in which it falls in an important relationship, Spiller helps you discover the astrological, psychological, and spiritual tools to: • Learn the secrets to open up intimacy and enjoy satisfying, lifelong romance • Move beyond old hurts that can tear a relationship apart • Allow others to be themselves—and not try to change them • Experiment with new ways of interacting in important relationships • Discover what gifts your partner brings to you—and what gifts you bring to your partner • Navigate the energy of pastlife connections This amazingly simple method from a Tibetan Master unlocks the secrets of your Soul - revealing your Soul Path and life purpose for this incarnation. What you can learn in Soul Astrology: \* WHAT you came here to do \* HOW you'll do it \* BLOCKS that are in your way \* HOW to REMOVE them \* HOW to FIND your SOUL PATH in YOUR HOROSCOPE \* Your INNATE MASTERY and GIFTS that you brought with you that will accomplish your life purpose During the early twentieth century a Tibetan Master who simply called himself "The Tibetan" transmitted a body of work known as A Treatise On The Seven Rays, to an Englishwoman named Alice Bailey. Part of that work was the volume known as Esoteric Astrology. Many have studied Esoteric Astrology and found the work to be complex in it's presentation. In Soul Astrology Ruth Hadikin cuts through the complexity so you can easily access the essential wisdom of the Tibetan Master DK. This amazingly simple (yet deeply profound) approach to your birth chart shows you how to easily identify your Soul's Path and determine your life purpose for this incarnation. The answers are hiding in plain sight and can easily be revealed through your horoscope. You just need to know how to look, and this book is about to tell you... Drawing upon Esoteric Astrology, the Greek myth of Hercules, and ancient principles from spiritual masters, Ruth Hadikin describes the journey of your Soul through the twelve signs of the Zodiac. Your Soul's Path and your life purpose will become crystal clear to you. For spiritual seekers and lovers of astrology alike, Soul Astrology is a powerful addition to your toolbox for your ongoing journey of spiritual awakening. from a past life that can lead to disaster if you are not forewarned • The HEALING AFFIRMATIONS designed to help you release your positive energy and strengthen the qualities that can bring you true happiness Everyone longs to be understood in their essence. In "The Missing Element", author Debra Silverman describes human nature in a compassionate and succinct way, and offers ways for us to get to know ourselves in depth with the wisdom of archetypes. The information in this book stands on the shoulders of our elders, who understood the four directions, the four elements, the four noble truths. Whatever pain you experience is specific to your personality type, based on the four elements. The 'missing element' is twofold: it refers to the Observer inside you – the part of you that can stand outside of judgment and see yourself with a more wise and compassionate approach – much like our elders did. And it also refers to the elements that make up your personality and more specifically, to the element which is your weakest. Your issues will repeat themselves again and again until you can see yourself and others from the compassionate vantage point that unites all of us. You will understand that your life and all its stories were designed by your soul to get your attention right now. In Healing the Soul, psychosynthesis therapist and counseling astrologer Mark Jones delivers one of the most fascinating astrological studies of this decade. Jones outlines a method that anyone can use to learn more about the unconscious dynamics that drive us. The beginner will find this a useful reference text and the expert will enjoy the detailed chart explanations. "North Node Astrology" reveals the "Soul's Code" contained in the North and South Nodes of your astrological chart—giving you unique insights into life direction and soul purpose. A guide to using astrology to identify your core wounds and heal them using psychological techniques, affirmations, and self-compassion • Explains how the placement of Chiron in your birth chart identifies the core wounds and unconscious patterns that block empathy and self-forgiveness • Offers a descriptive chapter for each of the 12 zodiac sign placements for Chiron, revealing how Chiron affects you psychologically, emotionally, sexually, spiritually, socially, financially, and intellectually • Provides specific steps for each sign to shift self-destructive patterns as well as powerful affirmations infused with Reiki healing energy We all have experienced disappointment, sadness, rejection, or the loss of something meaningful in our lives. When you are wounded, innate animalistic instincts for self-protection kick in as a means for survival. These behavior patterns are a natural and necessary coping strategy, at first. But many dwell far too long in these patterns and separate themselves from their source of inner wisdom and intuition. Using astrology as a diagnostic tool, Lisa Tahir reveals how to use the astrological placement of the minor planet Chiron in your birth chart to identify the core wounds and unconscious patterns that block your capacity to have self-empathy and to forgive. Coining the phrase "Chiron Effect" to describe the magnetic pull that individuals have around specific areas of vulnerability, she explains how, like a raw nerve, the placement of Chiron describes what parts of our lives we might edit or hide for fear of being rejected as well as the areas of sensitivity where we are triggered. Offering a chart and online links to allow you to determine Chiron's placement in your chart, the author explains how Chiron affects you psychologically, emotionally, sexually, spiritually, socially, financially, and intellectually depending on the sign and house it falls within. She outlines how to begin healing your core wounds through empathy and self-forgiveness, providing several steps for each sign placement to shift self-destructive patterns and learn to protect yourself as well as powerful affirmations infused with Reiki healing energy to help you anchor a new belief system. As Lisa Tahir reveals, once identified, your personal Chiron placement can become the source of your greatest healing and empowerment. By recognizing your core wounding and learning to offer yourself empathy and forgiveness, you can finally break free from suffering, end self-sabotage, and allow your life to unfold in a new way. 'Nicolas David Ngan's Soul Contract Reading for me was comprehensive and profoundly affecting. It felt like a therapy session with someone who already knew all of my issues ... We all have a sense that there has to be a reason why we're here in the world; Nicolas' insights allow you to stop wondering and start living that life purpose. I highly recommend his work.' Tania Ahsan, Editor, Kindred Spirit Spiritual seekers are feeling an increasingly strong urge from within to connect with and manifest their life purpose. They are seeking out tools and knowledge to awaken to this purpose and are doing whatever it takes to achieve this. This book is the answer to that search. A Soul Contract Reading is an accurate, in depth, channelled system of spiritual interpretation that will empower you to do this by decoding the secrets of the blueprint of your life hidden within your birth name. It is based on an ancient system of numerology that uses Hebrew glyphs, revealing the true essence of the reader's life purpose as well as their karma, talents and goals. This will show you the karmic patterns you face, the talents you have to overcome them, the goals you are

trying to achieve and your soul destiny. This book will enable you to discover why you are in the perfect place in your life - be it in crisis, stuck, seeking a new way forward or just needing to make sense of it all. It will empower you to move forward from there. Your Soul Contract reading will place your entire life in context, and will enable you to navigate your life properly for the first time. A new and exciting way to discover past lives through this branch of Celtic astrology. The story of your Nodes trace the trajectory of your Soul through time. Jungian Astrologer, Elizabeth Spring, again brings the North and South Nodes to life, years after writing "North Node Astrology; Re-discovering Your Life Direction and Soul Purpose." What about the South Node? Together the Nodes hold powerful insights into our soul journey; what we got right, what we suffered from, and what we're carrying over into this life, but the South Node specifically addresses what you need to do now to live your best life--and not to repeat the mistakes of the past. The insights are encrypted in the story of the South Node; and you can uncover this karmic story. Understanding the Nodes will keep you from sabotaging yourself and your relationships now. We repeat the past until we make it conscious; or as Carl Jung said: "When a given situation is not made conscious, it happens outside as fate." What do we not know about ourselves? Or our potential partners or children? What are the hidden dynamics in the relationship? Follow the planetary trail from the South Node... For students and astrologers this will be an excellent reference book; both for themselves and their clients, yet it's written for the curious new reader as well.

When you embrace and express your natural talents, you more easily enlist others in your success, and events fall into place more smoothly. But more than that, the 10th House shows how you can actualize the part of yourself that seeks a meaningful place in the world, and how to align more closely with your deeper purpose. On all levels - financial, emotional, relational, and spiritual - the 10th House can guide you to fulfillment, authenticity, and success. You'll need your astrology chart to use this book. If you have a nagging feeling that somehow your life has gotten off track, Discovering Your Soul Mission can help you create the most fulfilling life possible. Karmic astrologer and holistic teacher Linda Brady, along with coauthor Evan St. Lifer, shows how the desires of our personalities--what we think we want--clash with the needs of our souls--what will make us truly happy. In order to pinpoint your soul mission, Brady uses the technique of karmic astrology, which--unlike the more familiar sun-sign astrology--delves into areas known previously only to the cognoscenti. With this easy-to-use method, you do not have to get an astrological chart. All the required information is provided to instantly discover the sign ruling your soul mission. You will learn your Soul Pattern sign, which governs old habits you need to let go, and your Soul Potential sign, which indicates your latent qualities and hidden talents that must be developed to follow your true path. Virgo perfectionism, for instance, can give way to Pisces intuition, Sagittarian procrastination to Gemini creativity. Brady then offers numerous meditation, journaling, dreamwork, and other exercises to explore and incorporate your soul mission into your current life. Other planetary influences also shape the particular flavor of your mission. For example, the book includes tables to find out what sign rules your style of communication and shows you how to use that personal style to further enhance your mission. This lively, interactive handbook will set you on your true path. Astrology of the Seers is a clear yet comprehensive presentation of Vedic astrology and makes this difficult-to-understand subject clear, practical and relevant. It reveals the deeper implications of the Vedic system in sections on astrology as a spiritual science, astrology and psychology, astrology and yoga. Of special interest, the book explains the cycle of the world-ages (yugas), showing the Vedic view of human history, and the connection of our solar system with galactic sources of energy. Thirty-two example charts of all types are explained including those of many spiritual teachers, covering all the main aspects of its philosophy, background and practice, including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy. The present edition has been thoroughly revised and updated. To the conventional scientist, numbers are merely symbols of comparative quantities, but in the broader, metaphysical sense, they assume a deeper, more profound significance. The Complete Book of Numerology reveals the underlying meaning behind the numbers in your life and enables you to understand the connection between your numerological patterns and your degree of abundance, health, and general well-being. Overall, delving into the world of numbers will provide you with a simple and accurate way to decipher your experiences in the same manner that a road map helps you navigate a route that you haven't previously traveled. What are astrological aspects and how do they show themselves in a horoscope? How do they relate to the zodiac as a whole and how important are they? Most importantly, how can they best be put to use in understanding our individual needs and relationships? Sue Tompkins, former Director of Schools for the prestigious Faculty of Astrological Studies, explains the significance and practical use of astrological aspects, which go much deeper into revealing the layers of a person's character than do most summaries offered by basic descriptions of star signs. Included is a section offering interpretations for every planetary combination. Also featured are examples drawn from the lives of many well-known people, along with charts and diagrams.
