They can accomplish anything they set their minds to. They're the high achievers, the benchmark setters, the business moguls, the concert violinists, the heads of the PTA. But if they're out of balance, they can be overly perfectionistic, driven, and critical. They can become controllers (everything has to go their way) or pleasers (they exhaust themselves in meeting the demands of others). Now available in trade paper, *Born to Win* identifies the qualities of firstborns . . . and there's a catch. Just because someone is the firstborn child in the family doesn't mean they'll have a firstborn

personality. They can be third in a group of four siblings and still have a firstborn personality! Dr. Kevin Leman reveals why. He helps firstborns understand their natural advantages--while becoming aware of their weaknesses and learning how to sidestep them--for the highest level of personal success at home, at school, at work, and in relationships. And he helps those who live or work with firstborns to understand them better. This fun, informative, and practical book will keep readers engaged and provide many "aha!" moments. Ever since she can remember, Bird has loved flying in small propeller airplanes with her mechanic dad. When the local airstrip is turned into a military flight school, Bird is in heaven. But when a young Japanese American student named Kenji Fujita joins Bird's class, the entire school seems to be convinced that he's a spy, or at the very least, that he and his uncle want the Japanese to win. Bird is wary of Kenji, not just because he's Japanese, but because he steals her flight-related topic for a school report and leaves her to write about the deadly boring local marsh weed. Bird realizes that Kenji is actually a stand-up guy—and she and Kenji begin an adventure that will shake the town and may even change the future of the United States. Winner of the Dell Yearling Contest Having left motor racing in the early 1950s - at least officially - Alfa Romeo returned to the sport once again at the start of the following decade due to the commitment and enthusiasm of Autodelta. This Alfa offshoot distinguished itself by preparing and racing about 30 of the manufacturer's different cars that really did make history. Among them, the Giulia TZ holds a place at the head of the crowd. It had a 1.5-litre, 113 hp engine from the Giulia SS, front and rear suspension of modern conception, disc brakes and an especially bold body shaped by Zagato on a modern tubular chassis. Those were the strong points of this car, which scored results of absolute prestige in its brief career at Sebring, in the Targa Florio, the 24 Hours of Le Mans and the Tour de France. Vito Witting da Prato, already the author of a meticulously written book on the Alfa Romeo SZ, covers the winning, human, technical and sporting factors of this unforgettable car in a monumental work. A book which, to the precise text and painstaking historical reconstruction, has been added illustrations of previously unpublished pictures and technical designs by Autodelta. Tony Burgess and Julie French, Academy of High Achievers Ltd (Aha!) WE CAME INTO THIS WORLD AS A VICTOR AFTER CHALLENGING COMPETING WITH THOUSANDS OF CELLS WHEN ENTERING OUR MOTHER WOMB, WE CAME VICTORIOUS AT THE END, THAT SHOWS THAT WE NATURALLY HAVE THAT VICTORIOUS INSTINCT FROM BIRTH BUT WE HAVE FORGOTTEN WHO WE ARE DUE TO WHAT WE FACE IN THIS JOURNEY OF LIFE. After Louis Brittz and his family became the victims of an armed robbery, abduction, death threats and rape, they experienced how, in Louis's words, 'By God's grace we could walk out of that experience without any harm to our soul and spirit.' They have experienced immediate wholeness and healing and people thought that they were either lying or possessed some kind of superpower. But Louis has realised that God had been teaching them for years to live according to certain principles. This, together with God's presence, enabled them to deal with what had happened in such a remarkable way. Out of this experience *Born to Win* was born. We are born to win and everyone - from the most ordinary person to the super talented - can be a winner. It has been written into our DNA by God Himself. This book is not an action plan. It is an invitation to bring specific areas of your life before God and ask Him to change you. Neither is it a book that tries to deal with every little issue that could possibly improve your quality of life. It will not tell you what music to listen to, where to spend your holiday or how drinking green tea will aid digestion. Louis focusses on matters that he believes are essential for living in victory. It is a journey through God's resources to change his children into winners. Louis discusses topics such as:

- Winners have lost everything
- Winners are able to forget
- Winners know who they are
- Winners ask the hard questions
- Winners can master their thoughts
- Winners are baggage free
