The Popular Music Studies Reader Jun 02 2021 Maps the changing nature of popular music and considers how popular music studies has expanded and developed to deal with these changes. The book discusses the participation of women in the industry, the changing role of gender and sexuality in popular music, and the role of technologies in production and distribution.

Popular Culture Studies Across the Curriculum Jun 21 2020 Academic curricula are being strengthened and enriched through the enlightened realization that no discipline is complete unto itself. In the interdisciplinary studies that result, the one theme that remains universal is popular culture. Academia throughout the disciplines is rapidly coming to understand that it should be used in courses campus-wide and on all levels. All in the world of education benefit from the use of the cultures around them. This work emphasizes the need for interdisciplinary mingling and explores the ways in which instructors can utilize popular culture studies in order to deepen both their own areas of specialization and their students' appreciation of education. The collection of 18 essays spans campus curricula, including the humanities (English literature, American studies, folklore and popular culture), the social sciences (anthropology, history, sociology and communications), religion and philosophy, geography, women's studies, economics and sports. Also addressed is the importance of popular culture courses in both community colleges and high school settings.

Critical Multimodal Studies of Popular Discourse Oct 06 2021 Studies of multimodality have significantly advanced our understanding of the potential of different semiotic resources—verbal, visual, aural, and kinetic—to make meaning and allow people to achieve various social purposes such as persuading, entertaining, and explaining. Yet little is known about the role that individual nonverbal resources and their interaction with language and with each other play in concealing and supporting, or drawing attention to and subverting, social boundaries and inequality, political or commercial agendas. This volume brings together contributions by prominent and emerging scholars that address this gap through the critical analysis of multimodality in popular culture texts and semiotic practices. It connects multimodal analysis to critical discourse analysis, demonstrating the value of different approaches to multimodality for building a better understanding of critical issues of central interest to discourse analysis, semiotics, applied linguistics, education, cultural and media studies.

Studying Popular Music Culture Mar 31 2021 That rare thing, an academic study of music that seeks to tie together the strands of the musical text, the industry that produces it, and the audience that gives it meaning... A vital read for anyone interested in the changing nature of popular music production and consumption" - Dr Nathan Wiseman-Trowse, The University of Northampton Popular music entertains, inspires and even empowers, but where did it come from, how is it made, what does it mean, and how does it eventually reach our ears? Tim Wall guides students through the many ways we can analyse music and the music industries, highlighting crucial skills and useful research tips. Taking into account recent changes and developments in the industry, this book outlines the key concepts, offers fresh perspectives and encourages readers to reflect on their own work. Written with clarity, flair and enthusiasm, it covers: Histories of popular music, their traditions and cultural, social, economic and technical factors Industries and institutions, production, new technology, and the entertainment media Musical form, meaning and representation Audiences and consumption. Students' learning is consolidated through a set of insightful case studies, engaging activities and helpful suggestions for further reading.

Introducing Japanese Popular Culture Mar 19 2020 Specifically designed for use on a range of undergraduate and graduate courses, *Introducing Japanese Popular Culture* is a comprehensive textbook offering an up-to-date overview of a wide variety of media forms. It uses particular case studies as a way into examining the broader themes in Japanese culture and provides a thorough analysis of the historical and contemporary trends that have shaped artistic production, as well as, politics, society, and economics. As a result, more than being a time capsule of influential trends, this book teaches enduring lessons about how popular culture reflects the societies that produce and consume it. With contributions from an international team of scholars, representing a range of disciplines from history and anthropology to art history and media studies, the book's sections include: Television Videogames Music Popular Cinema Anime Manga Popular Literature Fashion Contemporary Art Written in an accessible style by a stellar line-up of international contributors, this textbook will be essential reading for students of Japanese culture and society, Asian media and popular culture, and Asian Studies in general.

Made in Hong Kong Nov 19 2022 *Made in Hong Kong: Studies in Popular Music* serves as a comprehensive and thorough introduction to the history, sociology, and musicology of twentieth- and twenty-first century popular music in Hong Kong. The volume consists of essays by leading scholars in the field, and it covers the major figures, styles, and social contexts of popular music in Hong Kong. Each essay provides adequate context to allow readers to understand why the figure or genre under discussion is of lasting significance. The book is organized into four thematic sections: Cantopop, History and Legacy; Genres, Format, and Identity; Significant Artists; and Contemporary Cantopop.

Celebrity Philanthropy Nov 14 2019 There is no question that celebrities these days are some of the most prominent faces of philanthropic activity – yet their participation raises questions about efficacy, motivations and activism overall. This book presents case studies of celebrity philanthropy from around the globe – including such figures as Shakira, Arundhati Roy, Zhang Ziyi, Bono and Madonna – looking at the tensions between celebrity activism and ground-level work and the relationship between celebrity philanthropy and cultural citizenship.

Sound as Popular Culture Nov 07 2021 Scholars consider sound and its concepts, taking as their premise the idea that popular culture can be analyzed in an innovative way through sound. The wide-ranging texts in this book take as their premise the idea that sound is a subject through which popular culture can be analyzed in an innovative way. From an infant's gurgles over a baby monitor to the roar of the crowd in a stadium to the sub-bass frequencies produced by sound systems in the disco era, sound—not necessarily aestheticized as music—is inextricably part of the many domains of popular culture. Expanding the view taken by many scholars of cultural studies, the contributors consider cultural practices concerning sound not merely as semiotic or signifying processes but as material, physical, perceptual, and sensory processes that integrate a multitude of cultural traditions and forms of knowledge. The chapters discuss conceptual issues as well as terminologies and research methods; analyze historical and contemporary case studies of listening in various sound cultures; and consider the ways contemporary practices of sound generation are applied in the diverse fields in which sounds are produced, mastered, distorted, processed, or enhanced. The chapters are not only about sound; they offer a study through sound—echoes from the past, resonances of the present, and the contradictions

and discontinuities that suggest the future. Contributors Karin Bijsterveld, Susanne Binas-Preisendörfer, Carolyn Birdsall, Jochen Bonz, Michael Bull, Thomas Burkhalter, Mark J. Butler, Diedrich Diederichsen, Veit Erlmann, Franco Fabbri, Golo Föllmer, Marta García Quiñones, Mark Grimshaw, Rolf Großmann, Maria Hanáček, Thomas Hecken, Anahid Kassabian, Carla J. Maier, Andrea Mihm, Bodo Mrozek, Carlo Nardi, Jens Gerrit Papenburg, Thomas Schopp, Holger Schulze, Toby Seay, Jacob Smith, Paul Théberge, Peter Wicke, Simon Zagorski-Thomas

Made in Ireland Sep 05 2021 *Made in Ireland: Studies in Popular Music* serves as a comprehensive and thorough introduction to the history, sociology and musicology of 20th- and 21st-century Irish popular music. The volume consists of essays by leading scholars in the field and covers the major figures, styles and social contexts of popular music in Ireland. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Irish popular music. The book is organized into three thematic sections: Music Industries and Historiographies, Roots and Routes and Scenes and Networks. The volume also includes a coda by Gerry Smyth, one of the most published authors on Irish popular music.

Made in Poland Mar 11 2022 *Made in Poland: Studies in Popular Music* serves as a comprehensive introduction to the history, sociology, and musicology of contemporary Polish popular music. Each essay, written by a leading scholar of Polish music, covers the major figures, styles, and social contexts of pop music in Poland and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book first presents a general description of the history and background of popular music in Poland, followed by essays organized into thematic sections: Popular Music in the People's Republic of Poland; Documenting Change and Continuity in Music Scenes and Institutions; and Music, Identity, and Critique.

Made in the Low Countries Jan 29 2021 *Made in the Low Countries: Studies in Popular Music* serves as a comprehensive and thorough introduction to the history, sociology, and musicology of twentieth and twenty-first century popular music of the Dutch-speaking region comprising the Netherlands and Flanders as a region of federal Belgium. The volume consists of essays by leading scholars and publicists in this field, and covers the major issues, genres, and contexts of popular music. Each essay provides adequate context so readers understand why the issue or genre under discussion is of lasting significance to this transnational region. The book first presents a general description of the history and background of popular music made in the region, followed by essays that are organized into four thematic sections: I: Framing and Facilitating; II: Creation and Curation; III: Close Encounters; IV: Changes and Choices.

Popscript: Graduate Research In Popular Music Studies Oct 26 2020

The Popular Music Studies Reader Oct 14 2019 *Maps the changing nature of popular music and considers how popular music studies has expanded and developed to deal with these changes. The book discusses the participation of women in the industry, the changing role of gender and sexuality in popular music, and the role of technologies in production and distribution.*

Memory, Space, Sound May 21 2020 *Memory, Space and Sound* presents a collection of essays from scholars in a range of disciplines that together explore the social, spatial, and temporal contexts that shape different forms of music and sonic practice. The contributors deploy different theoretical perspectives and methodological approaches from musicology, ethnomusicology, popular music studies, cultural history, media studies, and cultural studies as they analyze an array of examples, including live performances, music festivals, audiovisual material, and much more.

Made in Japan Jan 09 2022 *Made in Japan* serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary Japanese popular music. Each essay, written by a leading scholar of Japanese music, covers the major figures, styles, and social contexts of pop music in Japan and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Putting Japanese Popular Music in Perspective; Rockin' Japan; and Japanese Popular Music and Visual Arts.

Englishness, Pop and Post-War Britain May 13 2022 *English pop music was a dominant force on the global cultural scene in the decades after World War II – and it served a key role in defining, constructing and challenging various ideas about Englishness in the period. Kari Kallioniemi covers a stunning range of*

styles of pop – from punk, reggae and psychedelia to jazz, rock, Brit Pop and beyond – as he explores the question of how various artists (including such major figures as David Bowie and Morrissey), genres and pieces of music contributed to the developing understanding of who and what was English in the transformative post-war years. Publication Forum (Finland) lists this book as a Level 2 publication, where ‘the highest-level publications are directed as a result of extensive competition and demanding peer-review’. For Intellect’s full listings in this catalogue, please click here.

Made in Latin America Feb 10 2022 *Made in Latin America* serves as a comprehensive introduction to the history, sociology, and musicology of contemporary Latin American popular music. Each essay, written by a leading scholar of Latin American music, covers the major figures, styles, and social contexts of popular music in Latin America and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Theoretical Issues; Transnational Scenes; Local and National Scenes; Class, Identity, and Politics; and Gendered Scenes.

Rethinking Popular Culture Feb 16 2020 *Rethinking Popular Culture* presents some of the most important current scholarship analyzing popular culture. Drawing upon recent developments in cultural theory and exciting new methods of critical analysis, the essays in this volume break down disciplinary boundaries and offer fresh insight into popular culture.

Made in Finland Dec 20 2022 *Made in Finland: Studies in Popular Music* serves as a comprehensive and thorough introduction to the history, culture, and musicology of twentieth and twenty-first century popular music in Finland. The volume consists of essays by leading scholars in the field, and covers the major figures, styles, and social contexts of popular music in Finland. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book is organized into five thematic sections: Emerging Foundations of Popular Music in Finland; Environments, Borderlines, Minorities; Transnationalisms; Sounds from the Underground; and Redefining Finnishness.

Made in Spain Aug 04 2021 *Made in Spain: Studies in Popular Music* will serve as a comprehensive and rigorous introduction to the history, sociology and musicology of 20th century Spanish popular music. The volume will consist of 16 essays by leading scholars of Spanish music and will cover the major figures, styles and social contexts of pop music in Spain. Although all the contributors are Spanish, the essays will be expressly written for an international English-speaking audience. No knowledge of Spanish music or culture will be assumed. Each section will feature a brief introduction by the volume editors, while each essay will provide adequate context so readers understand why the figure or genre under discussion is of lasting significance to Spanish popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections.

Made in Taiwan Oct 18 2022 *Made in Taiwan: Studies in Popular Music* serves as a comprehensive introduction to the history, sociology, and musicology of contemporary Taiwanese popular music. Each essay, written by a leading scholar of Taiwanese music, covers the major figures, styles, and social contexts of pop music in Taiwan and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book first presents a general description of the history and background of popular music in Taiwan, followed by essays organized into thematic sections: Trajectories, Identities, Issues, and Interactions.

Made in Spain Jul 23 2020 *Made in Spain: Studies in Popular Music* will serve as a comprehensive and rigorous introduction to the history, sociology and musicology of 20th century Spanish popular music. The volume will consist of 16 essays by leading scholars of Spanish music and will cover the major figures, styles and social contexts of pop music in Spain. Although all the contributors are Spanish, the essays will be expressly written for an international English-speaking audience. No knowledge of Spanish music or culture will be assumed. Each section will feature a brief introduction by the volume editors, while each essay will provide adequate context so readers understand why the figure or genre under discussion is of lasting significance to Spanish popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections.

Made in Italy Jul 15 2022 *Made in Italy* serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary

Italian popular music. Each essay, written by a leading scholar of Italian music, covers the major figures, styles, and social contexts of pop music in Italy and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Italian popular music. The book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Themes; Singer-Songwriters; and Stories.

Studies in Maltese Popular Music Jan 17 2020 This book examines the diverse facets of popular music in Malta, paying special attention to g?ana (Malta's folk song), the wind band tradition, and modern popular music. Cianfar provides intriguing discussions and examples of how popular music on this small Mediterranean island country interacts with other aspects of the island's life and culture such as language, religion, history, customs, and politics. Through a series of ethnographic vignettes, the book explores the music as it takes place in bars, at festivals, and during village celebrations, and considers how it is talked about in the local press, at group gatherings, and on social media. The ethnography adopted here is that of a native musician and ethnomusicologist and therefore marries the author's memories with ongoing observations and their evaluation.

Made in France Sep 17 2022 Made in France: Studies in Popular Music serves as a comprehensive introduction to the history, sociology, and musicology of contemporary French popular music. The volume consists of essays by scholars of French popular music, and covers the major figures, styles, and social contexts of pop music in France. The book first presents a general description of the history and background of popular music in France, followed by essays that are organized into thematic sections: The Mutations of French Popular Music during the 30 glorieuses; Politicizing Popular Music; Assimilation, Appropriation, French Specificity; and From Digital Stakes to Cultural Heritage: The French Touch.

Critical Multimodal Studies of Popular Discourse Apr 12 2022 Studies of multimodality have significantly advanced our understanding of the potential of different semiotic resources—verbal, visual, aural, and kinetic—to make meaning and allow people to achieve various social purposes such as persuading, entertaining, and explaining. Yet little is known about the role that individual nonverbal resources and their interaction with language and with each other play in concealing and supporting, or drawing attention to and subverting, social boundaries and inequality, political or commercial agendas. This volume brings together contributions by eminent and emerging scholars that address this gap through the critical analysis of multimodality in popular culture texts and semiotic practices. It connects multimodal analysis to critical discourse analysis, demonstrating the value of different approaches to multimodality for building a better understanding of critical issues of central interest to discourse analysis, semiotics, applied linguistics, education, cultural and media studies.

The Routledge Research Companion to Popular Music Education Sep 24 2020 Popular music is a growing presence in education, formal and otherwise, from primary school to postgraduate study. Programmes, courses and modules in popular music studies, popular music performance, songwriting and areas of music technology are becoming commonplace across higher education. Additionally, specialist pop/rock/jazz graded exam syllabi, such as RockSchool and Trinity Rock and Pop, have emerged in recent years, meaning that it is now possible for school leavers in some countries to meet university entry requirements having studied only popular music. In the context of teacher education, classroom teachers and music-specialists alike are becoming increasingly empowered to introduce popular music into their classrooms. At present, research in Popular Music Education lies at the fringes of the fields of music education, ethnomusicology, community music, cultural studies and popular music studies. The Ashgate Research Companion to Popular Music Education is the first book-length publication that brings together a diverse range of scholarship in this emerging field. Perspectives include the historical, sociological, pedagogical, musicological, axiological, reflexive, critical, philosophical and ideological.

Made in Yugoslavia Dec 28 2020 Made in Yugoslavia: Studies in Popular Music serves as a comprehensive and thorough introduction to the history, sociology, and musicology of popular music in Yugoslavia and the post-Yugoslav region across the twentieth and twenty-first centuries. The book consists of chapters by leading scholars and covers the major figures, styles, and social contexts of music in the region that for most of the past century was known as Yugoslavia. Exploring the role played by music in Yugoslav art, culture, social movements, and discourses of statehood, this book offers a gateway into

scholarly explanation of a key region in Eastern Europe. An introduction provides an overview and background on popular music in Yugoslavia, followed by chapters in four thematic sections: Zabavna-Pop; Rock, Punk, and New Wave; Narodna (Folk) and Neofolk Music; and the Politics of Popular Music Under Socialism.

Made in Nusantara Nov 26 2020 *Made in Nusantara* serves as a comprehensive introduction to the history, sociology, ethnography, and musicology of historical and contemporary popular music in maritime Southeast Asia. Each essay covers major figures, styles, and social contexts of genres of a popular nature in the Nusantara region including Malaysia, Indonesia, Brunei, Singapore, and the Philippines. Through a critical investigation of specific genres and their spaces of performance, production, and consumption, the volume is organised into four thematic areas: 1) issues in Nusantara popular music; 2) history; 3) artists and genres; and 4) national vs. local industries. Written by scholars working in the region, *Made in Nusantara* brings local perspectives to the history and analysis of popular music and critically considers conceptualisations developed in the West, rendering it an intriguing read for students and scholars of popular and global music.

Heavy Metal Studies and Popular Culture Jun 14 2022 Elaborating on themes of resilience, memory, critique and metal beyond metal, this volume highlights how the development and future of metal music scholarship is predicated on the engagement with other forms of popular culture such as comics, documentaries, and popular music.

Handbook of Research on Consumption, Media, and Popular Culture in the Global Age Aug 24 2020 The mass production and diversification of media have accelerated the development of popular culture. This has started a new trend in consumerism of desiring new consumption objects and devaluing those consumption objects once acquired, thus creating a constant demand for new items. Pop culture now canalizes consumerism both with advertising and the marketing of consumerist lifestyles, which are disseminated in the mass media. The *Handbook of Research on Consumption, Media, and Popular Culture in the Global Age* discusses interdisciplinary perspectives on media influence and consumer impacts in a globalizing world due to modern communication technology. Featuring research on topics such as consumer culture, communication ethics, and social media, this book is ideally designed for managers, marketers, researchers, academicians, and students.

Made in Germany Aug 16 2022 *Made in Germany: Studies in Popular Music* serves as a comprehensive introduction to the history, sociology, and musicology of contemporary German popular music. Each essay, written by a leading scholar of German music, covers the major figures, styles, and social contexts of pop music in Germany and provides adequate context so readers understand why the figure or genre under discussion is of lasting significance. The book first presents a general description of the history and background of popular music in Germany, followed by essays organized into thematic sections: Historical Spotlights; Globally German; Also "Made in Germany"; Explicitly German; and Reluctantly German.

Made in Greece May 01 2021 *Made in Greece: Studies in Popular Music* serves as a comprehensive and thorough introduction to the history, sociology, and musicology of contemporary Greek popular music. Each essay covers the major figures, styles, and social contexts of pop music in Greece, first presenting a general description of the history and background of popular music in Greece, followed by essays, written by leading scholars of Greek music, that are organized into thematic sections: Hugely Popular, Art-song Trajectories, Greekness beyond Greekness, Counter Stories, and Present Musical Pasts.

Popular Culture as Pedagogy Dec 16 2019 "Grounded in the field of adult education, this international compilation offers a range of critical perspectives on popular culture as a form of pedagogy. Its fundamental premise is that adults learn in multiple ways, including through their consumption of fiction. As scholars have asserted for decades, people are not passive consumers of media; rather, we (re)make our own meanings as we accept, resist, and challenge cultural representations. At a time when attention often turns to new media, the contributors to this collection continue to find "old" forms of popular culture important and worthy of study. Television and movies – the emphases in this book – reflect aspects of consumers' lives, and can be powerful vehicles for helping adults see, experience, and inhabit the world in new and different ways. This volume moves beyond conceptually oriented scholarship, taking a

decidedly research-oriented focus. It offers examples of textual and discursive analyses of television shows and films that portray varied contexts of adult learning, and suggests how participants can be brought into adult education research in this area. In so doing, it provides compelling evidence about the complexity, politics, and multidimensionality of adult teaching and learning. Using a range of television shows and movies as exemplars, chapters relate popular culture to globalization, identity, health and health care, and education. The book will be of great use to instructors, students, and researchers located in adult education, cultural studies, women's and gender studies, cultural sociology, and other fields who are looking for innovative ways to explore social life as experienced and imagined."

Studies in Popular Culture Feb 22 2023

Made in Sweden Dec 08 2021 *Made in Sweden: Studies in Popular Music* serves as a comprehensive and rigorous introduction to the history, sociology and musicology of twentieth-century Swedish popular music. The volume consists of essays by leading scholars of Swedish popular music and covers the major figures, styles and social contexts of pop music in Swedish. Although the vast majority of the contributors are Swedish, the essays are expressly written for an international English-speaking audience. No knowledge of Swedish music or culture will be assumed. Each essay provides adequate context so readers understand why the figure or genre under discussion is of lasting significance to Swedish popular music; each section features a brief introduction by the volume editors. The book presents a general description of the history and background of Swedish popular music, followed by essays that are organized into thematic sections: The Historical Development of the Swedish Popular-Music Mainstream; The Swedishness of Swedish Popular-Music Genres; Professionalization and Diversification; and Swedish Artist Personas. Contributors: Jonas Bjälesjö Alf Björnberg Thomas Bossius Peter Dahlén Olle Edström Karin L. Eriksson Rasmus Fleischer Sverker Hyltén-Cavallius Lars Lilliestam Ulf Lindberg Morten Michelsen Susanna Nordström Marita Rhedin Henrik Smith-Sivertsen Ann Werner Kajsa Widegren

Made in Hungary Jul 03 2021 Emília Barna is Assistant Professor at the Budapest University of Technology and Economics. She is a founding member and Chair of IASPM Hungary, editor of *Zenei Hálózatok Folyóirat* (Music Networks Journal), and Advisory Board Member of IASPM@Journal. Tamás Tófalvy is Assistant Professor at the Budapest University of Technology and Economics. He was the founding Chair and is the current Vice-Chair of IASPM Hungary.

Subculture to Clubcultures Feb 27 2021 In *Subculture to Clubcultures* Steve Redhead responds to the separation of "youth" and "pop" in the 1980s and the fragmentation of the audience for popular music in the 1990s, arguing for a redefinition of the conceptual apparatus needed to explain the most recent developments in popular music culture -from the rise of "Clubcultures" to the future of the popular music scene. Coverage includes: the dance pop culture of the 1980s and 1990s; global youth culture as it was dynamized in this period by Garage, House, Electro, Techno and other contemporary dance music forms; the consequences of this for the continued importance of various forms of rock and pop music and a range of theoretical approaches to the economic and cultural condition of the postmodern.

Made in Sweden Apr 19 2020 *Made in Sweden: Studies in Popular Music* serves as a comprehensive and rigorous introduction to the history, sociology and musicology of twentieth-century Swedish popular music.
