Effective Speaking The Art of Public  
Speaking

The Art of Public Speaking      Oct 15 2019 The  
efficiency of a book is like that of a  
man, in one important respect: its  
attitude toward its subject is the first  
source of its power. A book may be full of  
good ideas well expressed, but if its  
writer views his subject from the wrong  
angle even his excellent advice may prove  
to be ineffective. This book stands or  
falls by its authors' attitude toward its  
subject. If the best way to teach oneself  
or others to speak effectively in public  
is to fill the mind with rules, and to set  
up fixed standards for the interpretation  
of thought, the utterance of language, the  
making of gestures, and all the rest, then  
this book will be limited in value to such  
stray ideas throughout its pages as may  
prove helpful to the reader—as an effort  
to enforce a group of principles it must  
be reckoned a failure, because it is then  
untrue.

Good with Words Apr 01 2021 Suppose you were good with words. Suppose when you decided to speak, the message you delivered--and the way you delivered it--successfully connected with your intended audience. What would that mean for your career prospects? What would that mean for your comfort level in social situations? And perhaps most importantly, what would that mean for your satisfaction with the personal relationships you value the most? This book is designed to help you find out. Based on an award-winning course and workshop series at the University of Michigan taken by students training to enter a wide range of fields--law, business, medicine, social work, public policy, design, engineering, and many more--it removes the guesswork from figuring out how to communicate clearly and compellingly. All of us have ideas that are worth sharing. Why not learn how to convey yours in a way that people will appreciate, enjoy, and

remember?

### Learning Environments in Speaking Classes

---

Feb 28 2021 Learning environment is one of the primary determinants of the success of learning process. For the learning process to be effective, learning environments must be secure, motivating, and friendly to students. When talking about the learning environment, not only physical aspect like classroom condition and facilities are taken into account; but also non-physical aspects like teaching method, physiological, psychological, and other external factors are importantly considered. This book discusses a wide range of essential elements for the teaching and learning process, especially in Speaking Class for Beginners. The factors are the ones related to teaching method—student-centered, knowledge-centered, or assessment-centered; the ones related to the teachers' way of teaching and learners' way of learning; and several activities and materials suggested to be employed in promoting better learning

environment in teaching speaking for beginners.

Talk English      May 02 2021 You have studied

English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll:

- \*learn to speak like a native in six months or less
- \*learn to do that on a busy schedule
- \*learn to speak English without translating it first
- \*learn grammar without memorizing grammar rules
- \*learn to build a vocabulary that lasts

Materials: The Basics      Dec 29 2020 The advancement of science and technology has a significant impact on the evolution of education. This is because it offers numerous advantages, such as making it easier to find learning resources, such as through media, multimedia, e-learning, mobile learning, and other platforms. The advantage of learning digitalization is that it increases students' interest in learning activities, and teachers can

manage how students choose to study, such as through video. Unfortunately, the lack of IT facilities and infrastructure controlled by educational institutions, as well as the high expenses of creating and purchasing IT infrastructure, make the use of IT in education challenging. This book therefore provides a straightforward description of how prospective teachers might supply teaching materials in the form of videos cheaply and easily. It further provides novice video creators with straightforward instructions for generating instructional movies using Kinemaster. In an effort to optimize digital resources for Indonesian education, it is intended that this book would give beneficial references for its readers.

Dynamic Memory Methods Oct 27 2020 This book is based on the principles of mnemonics and laws of controlled association, and if you apply the principle you will be able to bestride both the world of memory, and world of knowledge simultaneously, giving yourself greater self-confidence, a growing mastery

of imagination, improved creativity, and vastly improved perceptual skills. In fact, education system has created pressure on students in which memory, the technique, by Biswaroop Roy Chowdhury, can provide some rescue. -Dr. A.K. Sharma (Former Director, NCERT) The greatest mystery of life is our ignorance of human brain. In fact, brain is not a dustbin, but a gateway to some higher attainment. This demonstration today by Biswaroop is an assurance that not everything is lost in the civilization. -Justice M.N.

Venkatachelliah (Former Chief Justice of India) Biswaroop's memory technique is surely a help for overburdened students.

-Prof. (Dr.) G.R. Sunder (Registrar of Bhartiya Vidya Bhawan) Biswaroop's technique should be a part of school curriculum. -IPS Kiran Bedi Biswaroop's student, Ms. Neerja from Meerut, could recollect the exact details of last six months' issue of India Today. -Hindustan Times. 15 May 2003

## Rapidex English Speaking Course (Telugu)

---

Oct 19 2022 A legendary language learning course undoubtedly! Rapidex English Speaking Course is the only speaking course of its kind whose features can be described in superlative degree only. It has already benefited millions of readers across the country. Experts have unanimously declared it as the best self-study course. Perhaps that is the reason that for over 15 years it has constantly been on the top of the best sellers list in the market. What is the secret of its great popularity? Maybe, a no-nonsense down-to-earth approach and a very scientific methodology that takes into its account the special requirements of Indian learners. In any case it is not just another crash course that begins with a bang but ends with a whimper. Rather its contents and subject matters have been specially designed to help a common man achieve maximum command on the language in a very short time. The most important part of this self-study course is confidence building measures because it has been found from the long experience that

biggest problem in the path of fluently speaking a foreign language is hesitation, that arises out of lack of confidence. Many people, who have good command over the language and are well aware of its grammar and composition, can't speak the language fluently. Why? The answer is simple. While speaking they try to construct a sentence in their mother language and do the mental translation before uttering a single line. This creates not only confusion but utter chaos in their mind. As a result they feel great hesitation to speak simple sentences. In some cases, however, the problem is more complex, as they lack the basic knowledge of the English language. Rapidex English Speaking Course takes care of both the cases. So, what are you waiting for? Go ahead and discover the secret of fluency in English speaking. Explore and develop your hidden potential and face the world with a new-found confidence and smartness. Only the sky should be your limit. No matter which language you know or speak, be it Hindi, Marathi, Gujarati, Tamil, Telegu, Assami, Oriya, Kannad, Punjabi,

Bengali, Nepali or Urdu, with the help of this book English will no more be a foreign language for you. A must for every Indian home. #v&spublishers
