An English Girl in New York Welcome back to Christmas Town, Maine! This holiday season works its romantic magic during Christmas Town High School's ten year class reunion. It's going to be a jam-packed holiday weekend for the returning class, beginning with preparations for the two day event - where a mysterious promise ring has been found in their time capsule - and culminating in a Reunion Ball - where something lost finally finds its home. No one's expecting to discover love, but this is Christmas Town, where happily-ever-afters are delivered with holiday traditions, glowing twinkle lights, and tinsel. Consider this your invitation to the reunion where you'll have a front row seat next to some of the class's most memorable members - the prom queen, the jock, the mean girl, the drama kid, the teacher's pet,

the bad boy, the math nerd, the girl most likely to succeed, and some of your favorite administrators. From start to finish, this collection of connected, sweet romances from Harlequin Heartwarming authors will warm your heart. Compare this read to The Sisterhood of the Traveling Pants. Inside, you'll find stories featuring best friend to lovers, best friend's older brother, teen crush, enemies to lovers, second chance, reunion, and later in life romances. Create the Christmas romance of your dreams, scene by scene, twist by charmingly predictable twist—each choice is yours. Slip on your favorite Christmas sweater, cozy up to a crackling fire, sip some spiced eggnog, and prepare to experience the ultimate holiday love story. But instead of watching it on some cheesy cable channel, open this book and put yourself in the director's chair. First, decide your heroine's problem. Was she just fired from her big city business job? Avoiding going home for Christmas? Or did she just realize the man

who proposed to her maybe isn't Mr. Right? Then it's time to meet the man--should your heroine end up with the big city business exec, the small town hunk or someone totally unexpected (but still hunky)? Each choice will take you down a totally different path that all somehow end up making for a perfect made-for-TV romance. Will your Christmas activity montage include baking cookies, walking through a holiday festival, or skating on a picturesque frozen lake? Will you choose to include a generically bearded old man who perhaps could maybe be Santa Claus? Choice by hilarious choice, you'll make your way closer and closer to the big payoff--the picture perfect, most romantic final kiss ever. And when you've savored that last bit of snowy, romantic goodness, don't be glum. Turn back to page one and start a new love story.
