***Capitalism Unbound* Nov 28 2020** This book is a concise explanation of capitalism's moral and economic superiority to socialism, including America's current mixed-economy welfare state. This volume offers a focused, essentialized, and condensed argument ideal for the layman who admires capitalism but lacking a succinct, accessible explanation of its moral and economic virtues.

**A Pocket Manual of Anglo-Catholic Devotion Feb 24 2023** A daily prayer companion for the many Christians who would describe themselves as Anglo-Catholic (and who comprise one-third of the Church of England), this is a complete resource with orders of morning, midday, evening and night prayer. It also provides variations for the liturgical seasons, holy days, festivals, initiation and healing, prayers for the rosary and Station of the Cross and prayers in preparation for the Eucharist. A portable, abridged version of the daily devotional companion, it contains the full text of the larger volume apart from the Psalms and Canticles, the optional Eucharist prayers and the longer daily readings. Ideal for travellers or as a confirmation gift.

**The Owner's Manual for Christians Apr 14 2022** It's never too late. Whether you're a new Christian or you've walked the road for decades, it's never too late to find the critical truths that make life make sense. We often start out believing that common sense will be enough, that we're prepared for the road ahead with our good values and quick thinking. It doesn't take long to learn otherwise. A broken friendship. An obsessive career. Financial distress. Even empty success. We come back to God, searching for insight, for hope. And He provides. Nothing can replace studying the Bible. Best-selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts. But if sixty-six books seem overwhelming, **The Owner's Manual for Christians** is the perfect starting place: a biblical summary of the major truths that anchor the Christian life. From grace to freedom, these chapters walk the reader through the keys to a life well lived?drawn from the Creator of life itself. Life is often confusing, but it does not have to be impossible. Read **The Owner's Manual for**

Christians and find hope for the road ahead.
