American Scissors and

Shears Jun 12 2022 American Scissors and Shears provides an historical overview of more than 100 companies and individuals involved in producing scissors and shears in the United States from the mid-1800s to approximately 1930. Accompanying and enhancing the text are hundreds of photographs, advertisements, and patents of the many varieties of antique and vintage scissors produced during this time period. The book will prove invaluable to tool collectors, cutlery collectors (including knives and scissors), sewing enthusiasts, history buffs in general, and to those interested in early American industries. Some books have provided broad overviews of the history of scissors; others have investigated sewing implements, including scissors. None to date have provided the in-depth survey of American-

made scissors presented in American Scissors and Shears. *Sears [catalog]*. Aug 14 2022

Pattern Evidence Oct 24 2020

In *Pattern Evidence*, his final collection, Michael D. Riley sifts through the evidence of ordinary life in search of the patterns that lend shape and meaning to our days. Like a forensic scientist in search of the telling clue, the poet scrutinizes his loves and his losses, and like a trial attorney in pursuit of the truth, he interrogates and cross-examines participants in his own past and in the drama of human existence. Set largely in the suburban world outside Lancaster, Pennsylvania, Riley's pages are filled with friends and neighbors, lovers and grandmothers, pines and pin oaks, lawn mowers and snow blowers, all of which body forth the mystery of daily-ness. This book documents Riley's evolution as an artist, offering poems that span his career from early to late, demonstrating the poet's characteristically broad range

of interests and, simultaneously, his constant return to those things that matter most, namely, family, faith, and his devotion to his art. *Pattern Evidence* constitutes the summation of a lifetime of close and careful observation, and showcases Riley's gifts as a poet: his keen eye, his sharp wit, his capacious mind, his practiced hand, and his large heart. This book is a final farewell to and a celebration of a life well-lived and well-loved.
