right, to make reparations. The Remedy invites writers and readers to imagine what we need to create healthy, resilient, and thriving LGBTQ communities. This anthology is a diverse collection of real-life stories from queer and trans people on their own health-care experiences and challenges, from gay men living with HIV who remember the systemic resistance to their health-care needs, to a lesbian couple dealing with the experience of cancer, to young trans people who struggle to find health-care providers who treat them with dignity and respect. The book also includes essays by health-care providers, activists and leaders with something to say about the challenges, politics, and opportunities surrounding LGBTQ health issues. Both exceptionally moving and an incendiary call-to-arms, The Remedy is a must-read for anyone—gay, straight, trans, and otherwise—passionately concerned about the right to proper health care for all. Contributors include Amber Dawn, Sinclair Sexsmith, Francisco Ibanez-Carrasco, Cooper Lee Bombardier, Kara Sievewright, and Kelli Dunham.
