Hot Shot Sep 15 2022 The Sisterhood: a group of women bound by friendship and a quest for justice. Now their male allies, the Men of the Sisterhood, have formed a top-secret organization of their own, with the same goal of helping the helpless and righting the wrongs of the world . . . Loyalty is a way of life for the Sisterhood and their significant others. When lawyer Lizzie Fox's husband, Cosmo Cricket, is left critically injured after being shot by an unknown assailant, the men of BOLO Consultants head straight for Las Vegas to comfort Lizzie—and to uncover a dangerous enemy in the City of Sin. As head of Nevada's Gaming Commission, Cosmo has powerful enemies. Yet the shooting seems to be related to one of his private projects. Built in the desert outside Las Vegas, Happy Village is a flourishing community for seniors who have lost a spouse. Cosmo's widowed father found new purpose in running the venture. But the neighborhood that's now home to Happy Village was once run by rival gangs, a complicated past that has come to haunt the place. Jack, Harry, and the rest of the crew need to remove the threat, risking everything to take on a vicious and mysterious gang leader known only as Hot Shot. And while the men of the Sisterhood fight for justice for their friend, Cosmo is fighting for his life—and the stakes have never been higher . . .

The Hot Shot Feb 20 2023 First we were friends. Then we were roommates. Now I want more... What can I say about Chess Copper? The woman is capable of bringing me to my knees. I know this about five minutes after getting naked for her. No one is more surprised than me. The prickly photographer my team hired to shoot our annual charity calendar isn't my usual type. She's defense to my offense, a challenge at every turn. But when I'm with her, all the regrets and darkness goes away. She makes life fun. I want to know Chess, be close to her. Which is a bad idea. Chess is looking for a relationship. I've never given a woman more than one night. But when fate leaves Chess without a home, I step up and offer her mine. We're roommates now. Friends without benefits. But it's getting harder to keep our hands off each other. And the longer we live together the more I realize she's becoming my everything. Trick is... Now that I've made her believe I'm a bad bet, how do I convince her to give this player a true shot at forever?

Never Too Hot Nov 17 2022 A TOUCH IGNITES. A FIRE BURNS. AND THE HEAT HAS JUST BEGUN. Deep in the cool green mountains of the Adirondacks, wounded firefighter Connor MacKenzie has come to rebuild the 100-year-old MacKenzie family cabin—and to be alone. A horrific blaze has left him scarred inside and out and certain of two things: He'll get back on his Hot Shot crew no matter what it takes, and any woman who ventures too close will not stay long. Ginger Sinclair has been burned by a different kind of fire. Having just escaped from a bad marriage, she's retreated to the safety of the lakeside vacation town in upstate New York to start a new life. She's done with men, with relationships, with the danger of desires that can rage out of control—until she unexpectedly encounters Connor MacKenzie. As a hot summer on the lake grows ever hotter, they find themselves sharing a cabin and a romance that will swiftly engulf them both.
