Courage for My Journey from Eternity to Eternity Jun 02 2021 In this book, you will discover the meaning of courage, perseverance, and faith as you experience Yvonne’s journeys around the world as a missionary and into the heart of God through her obedience to serve His people. It took courage for her to give up her job security at fifty years old; To go into the unknown without financial security; Not to let her prophetic words fall to the ground and not grow; and To leave her home, family and church for the unknown Lessons Learned: • God uses ordinary people to do amazing deeds, and feats for others in need; • Be the change you want to see in this world; • You will be Ruined for the ordinary; and • The fulfillment is greater than any fear; you will have courage for your journey!

In the Shadows of Giants Dec 28 2020 A naive youth grows into a middle age man. Along the way, he learns from Masters, Mystics, and Medicine Men while encountering his spirit guides and a supernatural being.

The BFG (Colour Edition) Apr 19 2020 'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumpers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them?

Baron Trump's Marvellous Underground Journey Oct 06 2021 Originally published in 1893, Ingersoll Lockwood’s nearly-forgotten Baron Trump's Marvellous Underground Journey blends science fiction and fantasy in a story told by Little Baron Trump, an aristocratic boy who sets out from Castle Trump to discover the World Within a World that he read about in a fifteenth-century manuscript of the “celebrated thinker and philosopher,” the learned Spaniard, Don Fum. Join Baron Trump and his faithful dog and companion, Bulger, as they set off to Northern Russia in search of a portal to the subterranean. Along the 500 mile journey, you’ll meet an assortment of bizarre and fascinating creatures: a giant tortoise, an afflicted princess, a talking clock, Ant People and more. Will Little Baron Trump and Bulger make it back safely to Castle Trump? Join the adventure! This newly-released 2017 edition features: -- The complete text of Ingersoll Lockwood's Baron Trump's Marvellous Underground Journey --Charles Howard Johnson's charming original 19th-century illustrations --A brand new Foreword from the publisher commenting on the striking parallels between Lockwood's work and President Donald Trump, his son Barron Trump, and the incredible claim that President Trump may possess a time machine --Original, stimulating discussion questions for use in book clubs, or for personal enrichment.

Fall of Giants Nov 19 2022 The first in Ken Follett's bestselling Century Trilogy, Fall of Giants is a captivating novel that follows five families through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for votes for women. A world in chaos. 1911, a thirteen-year-old boy, Billy Williams, begins working down the mines as George V is crowned king. The escalating arms race between the empire nations will put not only the king but this young boy in grave danger. A terrible war. Billy’s family is inextricably linked with the Fitzherberts, the aristocratic owners of the coal mine where he works. And when Maud Fitzherbert falls in love with Walter von Ulrich, a spy at the German embassy in London, their destiny also becomes entangled with that of Gus Dewar, an ambitious young aide to Woodrow Wilson, and two orphaned Russian brothers, the Peshkovs, whose plan to emigrate to America falls foul of conscription, revolution and imminent war. A revolution that will change everything. When Russia convulses in bloody revolution and the Great War unfolds, the five families’ futures are entwined forever, love bringing them closer even as conflict takes them further apart. What seeds will be sown for further tragedy in the twentieth century and what role will each play in what is to come? Continue the captivating Century Trilogy with Winter of the World and Edge of Eternity.

Coach Wooden and Me Aug 04 2021 Former NBA star and Presidential Medal of Freedom recipient Kareem Abdul-Jabbar explores his 50-year friendship with Coach John Wooden, one of the most enduring and meaningful relationships in sports history. When future NBA legend Kareem Abdul-Jabbar was still an 18-year-old high school basketball prospect from New York City named Lew Alcindor, he accepted a scholarship from UCLA largely on the strength of Coach John Wooden's reputation as a winner. It turned out to be the right choice, as Alcindor and his teammates won an unprecedented three NCAA championship titles. But it also marked the beginning of one of the most extraordinary and enduring friendships in the history of sports. In Coach Wooden and Me, Abdul-Jabbar reveals the inspirational story of how his bond with John Wooden evolved from a history-making coach-player mentorship into a deep and genuine friendship that transcended sports, shaped the course of both men's lives, and lasted for half a century. Coach Wooden and Me is a stirring tribute to the subtle but profound influence that Wooden had on Kareem as a player, and then as a person, as they began to share their cultural, religious, and family values while facing some of life's biggest obstacles. From his first day of practice, when the players were taught the importance of putting on their athletic socks properly; to gradually absorbing the sublime wisdom of Coach Wooden's now famous "Pyramid of Success"; to learning to cope with the ugly racism that confronted black athletes during the turbulent Civil Rights era as well as losing loved ones, Abdul-Jabbar fondly recalls how Coach Wooden's fatherly guidance not only paved the way for his unmatched professional success but also made possible a lifetime of personal fulfillment. Full of intimate, never-before-published details and delivered with the warmth and erudition of a grateful student who has learned his lessons well, Coach Wooden and Me is at once a celebration of the unique philosophical outlook of college basketball's most storied coach and a moving testament to the all-conquering power of friendship. Instant New York Times and USA Today Bestseller President Barack Obama's Favorite Book of 2017 A Boston Globe and Huffington Post Best Book of 2017 Pick

Home Team Jan 17 2020 In 1957 Horace Stoneham took his Giants of New York baseball team and headed west, starting a gold rush with bats and balls rather than pans and mines. But San Francisco already had a team, the Seals of the Pacific Coast League, and West Coast fans had to learn to embrace the newcomers. Starting with the franchise’s earliest days and following the team up to recent World Series glory, Home Team chronicles the story of the Giants and their often topsy-turvy relationship with the city of San Francisco. Robert F. Garratt shines light on those who worked behind the scenes in the story of West Coast baseball: the politicians, businessmen, and owners who were instrumental in the club’s history. Home Team presents Stoneham, often left in the shadow of Dodgers owner Walter O’Malley, as a true baseball pioneer in his willingness to sign black and Latino players and his recruitment of the first Japanese player in the Major Leagues, making the Giants one of the most integrated teams in baseball in the early 1960s. Garratt also records the turbulent times, poor results, declining attendance, two near-moves away from California, and the role of post-Stoneham owners Bob Lurie and Peter Magowan in the Giants’ eventual reemergence as a baseball powerhouse. Garratt’s superb history of this great ball club makes the Giants’ story one of the most compelling of all Major League franchises.

Giants on My Shoulders, the Untold Story Behind the Greatest Upset in Boxing History May 13 2022 An extraordinary account of the life of unknown club boxer, Frank Steele, who sparred with legendary boxing greats like Muhammad Ali, George Foreman, Joe Frazier and Ernie Shavers. Impoverished from birth and poorly educated, Frank did the best he could to parlay his boxing prowess and brute strength into fame and fortune. Hired as Foreman's chief sparring partner to help prepare the champ for the Ali "Rumble in the Jungle" fight in Africa, he was fired after doing his job too well -- beating up Foreman and knocking his headgear into the audience. When Ali heard about the incident, he paid Frank \$3,000 for the secret to defeating the unbeaten and seemingly invincible champion. This is the untold story of what lead to the greatest upset in boxing history.

My Unexpected Journey May 01 2021 MY UNEXPECTED JOURNEY [Beating the Odds to Become a Walking Miracle] By Pastor G. Lee McClanathan Every person deals with "unexpected journeys". They are never welcome, they just show up. Such journeys can include the following issues: health, finances, relationships, employment, retirement, grief, church. Pastor Lee's unexpected journey was a health issue (stroke, heart attack, seizures, auto-immune disorder). He was not expected to live, but did. It meant loss of career, and the beginning of a "new normal". In the process he developed a winning strategy. He says he had to make some choices... "Would I GIVE UP or GROW UP?; Be BITTER or BETTER?; Choose to be a WHINER or a WINNER?" He believes that if he and most of the Bible characters we meet in God's Word can beat the odds... then we can do it too. Lee desires to be a "difference-maker", believing "God isn't finished with him yet". Friend, just as God has a unique purpose and plan for Lee, He has a plan and purpose for you! So with eyes wide open... trust God for your "unexpected journeys". When you're down and out for the ten count, He can RAISE YOU UP, because our God is an AWESOME GOD! You too can find victory even while walking in the valley of the shadow of death.

Unleash Your Giant & Step into Your Greatness Oct 26 2020 Unleash Your Giant & Step into Your Greatness is a leadership book for entrepreneur women designed to help you shake loose your shrinking thinking and uncover the magnificent being you were made to be. As entrepreneur women, we are each presented with a continuous stream of moments in life, in which we exercise choices. The choices we make can either lead to self-defeating behaviors or to behaviors that affirm and honor our lives. Over time, depending on the mix of our choices, we are either headed for breakdowns or breakthroughs. Our power is in how we choose to lead ourselves within the breakdown or the breakthrough and in order to lead in business, we must be clear on the leadership we provide to ourselves. Not believing in your greatness, especially when faced with challenges stunts your growth. You can be a leader in place as long as you're committed to continual growth in your mindset, your language and an understanding of self. But what happens when you stop growing or you stop believing in your greatness, especially when faced with challenges? As women, we tend to play small and that stops us from growing in the way we need to in order to honor leadership roles. Almost every entrepreneur worries about the fear of failure, not feeling good enough and can even suffer from imposter syndrome at some point in their business journey. In this book and workbook, you will discover tools to help you tap into your growth mindset so those big, beautiful dreams you have can come into fruition. You are amazing, but when it comes to receiving your blessings, you find yourself stretched thin by trying to stay in your comfort zone. So it’s time to get out of your comfort zone to rid yourself of limitations that hold you back from harnessing your power. So join us on this journey to equip you with the tools and techniques that will lead to exposing and resolving any self-limiting beliefs, fears or actions that keep you from reaching personal greatness.

The Journeys of Trees: A Story about Forests, People, and the Future Jan 21 2023 An urgent and illuminating portrait of forest migration, and of the people studying the forests of the past, protecting the forests of the present, and planting the forests of the future. Forests are restless. Any time a tree dies or a new one sprouts, the forest that includes it has shifted. When new trees sprout in the same direction, the whole forest begins to migrate, sometimes at astonishing rates. Today, however, an array of obstacles—humans felling trees by the billions, invasive pests transported through global trade—threaten to overwhelm these vital movements. Worst of all, the climate is changing faster than ever before, and forests are struggling to keep up. A deft blend of science reporting and travel writing, The Journeys of Trees explores the evolving movements of forests by focusing on five trees: giant sequoia, ash, black spruce, Florida torreya, and Monterey pine. Journalist Zach St. George visits these trees in forests across continents, finding sequoias losing their needles in California, fossil records showing the paths of ancient forests in Alaska, domesticated pines in New Zealand, and tender new sprouts of blight-resistant American chestnuts in New Hampshire. Everywhere he goes, St. George meets lively people on conservation’s front lines, from an ecologist studying droughts to an evolutionary evangelist with plans to save a dying species. He treks through the woods with activists, biologists, and foresters, each with their own role to play in the fight for the uncertain future of our environment. An eye-opening investigation into forest migration past and present, The Journeys of Trees examines how we can all help our trees, and our planet, survive and thrive.

The Buried Giant Jan 09 2022 *Kazuo Ishiguro's new novel Klara and the Sun is now available* The Romans have long since departed, and Britain is steadily declining into ruin. The Buried Giant begins as a couple, Axl and Beatrice, set off across a troubled land of mist and rain in the hope of finding a son they have not seen for years. They expect to face many hazards - some strange and other-worldly - but they cannot yet foresee how their journey will reveal to them dark and forgotten corners of their love for one another. 'A beautiful fable with a hard message at its core . . . There won't, I suspect, be a more important work of fiction published this year.' John Sutherland, The Times 'An exceptional novel . . . The Buried Giant does what important books do: it remains in the mind long after it has been read, refusing to leave.' Neil Gaiman, New York

Times Book Review 'A beautiful, heartbreaking book about the duty to remember and the urge to forget.' Alex Preston, Observer

Giants Among Men Dec 16 2019 From the mid-1950s to the early 1960s, when basketball's Boston Celtics were piecing together a run for the ages, when Montreal's Canadiens were in the midst of notching a record-setting five straight Stanley Cups, and when the New York Yankees were the once-and-future kings of the diamond, one team boosted the NFL to national prominence as none other: the New York Giants. In *Giants Among Men*, Jack Cavanaugh, the acclaimed author of *Tunney*, transports us to the NFL's golden age to introduce the close-knit and diverse group that won the heart of a city, helped spread the gospel of pro football across the nation, and recast the NFL as a media colossus. Central to Cavanaugh's narrative, and emblematic of the Giants' bond with their followers, was a hard-nosed future Hall of Fame defensive end named Andy Robustelli, who anchored a Giants defense unit so ferocious that they were the first team to inspire crowds to chant "Dee-fense!" But while Robustelli and the Giants were a hit on the gridiron, playing in six NFL Championship Games in eight seasons between 1956 and 1963, the most remarkable aspect of this team was perhaps its relationship with the fans, who were equally at ease hobnobbing with Jackie Gleason and Frank Sinatra as they were rubbing elbows with working-class rooters on the IRT en route to Sunday games in the Bronx. But the Giants of this era didn't merely affect the fans' relationship to the game; they changed the game itself. The team launched the NFL careers of future head-coaching geniuses Tom Landry and Vince Lombardi, as well as those of future Hall of Famers including Frank Gifford, Sam Huff, Emlen Tunnell, Roosevelt Brown, and Y. A. Tittle, along with stars like Charlie Conerly, Rosey Grier, and Pat Summerall. Filled with historical and cultural insight and vivid portraits of large-than-life characters and indispensable everymen, *Giants Among Men* transcends nostalgia and sports trivia to faithfully depict a watershed era for both football and the American nation.

Are All the Giants Dead? Aug 24 2020 Finding himself in a land peopled with fairy tale characters, James attempts to help Princess Dulcibel who is destined to marry a toad after her ball falls in the well.

James and the Giant Peach (Colour Edition) Mar 31 2021 *James and the Giant Peach* by Roald Dahl in magnificent full colour. James Henry Trotter lives with two ghastly hags. Aunt Sponge is enormously fat with a face that looks boiled and Aunt Spiker is bony and screeching. He's very lonely until one day something peculiar happens. At the end of the garden a peach starts to grow and GROW AND GROW. Inside that peach are seven very unusual insects - all waiting to take James on a magical adventure. But where will they go in their GIANT PEACH and what will happen to the horrible aunts if they stand in their way? There's only one way to find out . . . Look out for new Roald Dahl apps in the App store and Google Play- including the disgusting TWIT OR MISS! inspired by the revolting Twits. "A true genius . . . Roald Dahl is my hero" David Walliams

Giants in the Nursery Jul 23 2020 A biographical history of the evolution of Developmentally Appropriate Practice, written by best-selling early childhood author David Elkind, PhD

Juan Marichal Jan 29 2021 In a decade that featured such legendary hurlers as Sandy Koufax, Bob Gibson, Don Drysdale, and other Hall of Famers, no pitcher won more games than Juan Marichal in the 1960s. His unique, high-kick pitching style was imitated by kids from New York to San Francisco to Santo Domingo, and it is immortalized in a bronze statue outside of the Giants' current ballpark. Marichal was the first Dominican-born player to play in an All-Star Game and the first elected to the Baseball Hall of Fame, and he won more games than any of his countrymen. And while Dominican and other Latino players have come to dominate many aspects of baseball in recent years, Marichal was a trailblazer in his day, entering the league at a time when Latin American players were routinely discriminated against, underpaid, and presented with numerous obstacles on their journey to the big leagues. In *Juan Marichal*, Marichal tells the story of his rise from living on a rural farm as a young boy in the Dominican Republic to his status as one of the great pitchers of all time. Along the way, he was enlisted by the son of the country's dictator to play for the national team, was threatened at gunpoint to throw a game during a tournament in Mexico, fought homesickness as a minor leaguer in rural Indiana, and went head-to-head with some of the greatest pitchers and hitters the game has ever seen. For the first time, Marichal gives his perspective on life as a Latino ballplayer in the 1960s, describes the highs and lows of a 16-year major league career, and explores what the recent influx of Dominicans in the majors has meant to baseball and to his home country. He offers reflections on lingering stereotypes, the impact of steroids, and the general state of the game in the 21st century.

My Journey to Jerusalem Dec 08 2021

Valley of Giants Jun 21 2020 Anthology featuring both untold and famous stories from the female trailblazers of Yosemite climbing

Jazz, Giants, and Journeys Dec 20 2022 With a camera as his backstage pass, Herman Leonard has photographed the giants of jazz in their golden age, movie stars on set and on their travels to exotic places, the fashion world of Paris in the 1960s, and the inner sanctums of his beloved New Orle

What It Takes May 21 2020 In 2011, he became starting linebacker for the New York Giants and triumphed in the Super Bowl—after being told his cancer diagnosis meant he would never play football again.... As a child, Herzlich found an inspiring and grounding force in football, eventually turning his passion into a first-team All-American spot at Boston College. But after being named the conference's top defensive player his junior season, the budding star was sidelined by a persistent, debilitating pain in his left leg. After months of tests, Herzlich received a shocking diagnosis: He had Ewing's sarcoma, a rare bone cancer. Doctors put his odds of survival as low as fifteen percent—and no one thought he would be able to run, much less play, again. Then Herzlich learned of a radical alternative treatment that would give him the best chance to regain his strength and maybe even play football again. He had a choice to make, one that would allow him the chance to return to the game he loved, but it came at the risk of his life. Herzlich relied on family, friends, faith, and deep wells of determination to help him through treatment, and his drastic plan worked. Not only could he run, but he was stronger than ever physically, and mentally ready to battle his way to a spot on an NFL roster. When he was passed over by all 32 teams in the draft, he dug deeper and continued his training, winning a spot in the Giants' training camp, and eventually, on the team. Mark Herzlich fought a battle against cancer, against statistics, and some days against himself. Told with candor and raw emotion, this is a story for anyone who has ever fought to beat the odds, for anyone who has ever been told that what they are about to attempt is next to impossible. Herzlich's story embodies powerful lessons about what can be achieved through persistence and belief, and he serves as living proof that overcoming the impossible is only the beginning. With a foreword by New York Giants head coach Tom Coughlin

Writings on the Wall Aug 16 2022 A New York Times and Washington Post Bestseller Bestselling author, basketball legend and cultural commentator Kareem Abdul-Jabbar explores the heart of issues that affect Americans today. Since retiring from professional basketball as the NBA's all-time leading scorer, six-time MVP, and Hall of Fame inductee, Kareem Abdul-Jabbar has become a lauded observer of culture and society, a New York Times bestselling author, and a regular contributor to The Washington Post, TIME magazine and TIME.com. He now brings that keen insight to the fore in *Writings on the Wall: Searching for a New Equality Beyond Black and White*, his most incisive and important work of non-fiction in years. He uses his unique blend of erudition, street smarts and authentic experience in essays on the country's seemingly irreconcilable partisan divide - both racial and political, parenthood, and his own experiences as an athlete, African-American, and a Muslim. The book is not just a collection of expositions; he also offers keen assessments of and solutions to problems such as racism in sports while speaking candidly about his experiences on the court and off. Timed for publication as the nation debates whom to send to the White House, the combination of plain talk on issues, life lessons, and personal stories places *Writings on the Wall* squarely in the middle of the conversation, as many of Abdul-Jabbar's topics are at the top of the national agenda. Whether it is sparring with Donald Trump, within the pages of TIME magazine, or full-length features in the The New York Times Magazine, writers, critics, and readers have come to agree on what The Washington Post observed: Abdul-Jabbar "has become a vital, dynamic and unorthodox cultural voice."

In The Shadow Of God's Love Nov 14 2019 Do you hunger to have a deep, personal relationship with God. Do you long to know more of His character? Do you need to find more of His peace, love, and mercy? Do you want more strength to face the challenges and trials of life and emerge victorious? God is so awesome it is impossible to confine Him to mere words. No two people relate the same way to God, and God is fresh in His dealings with each individual. Yet His character is constant and eternal, the same yesterday, today, and forever. We glean foremost from His Word but also by the insights of others, inspired by the Holy Spirit, to discover His Workings in the lives of mankind. These can be beams of light on our own pathway through life. The first part of this book attempts to capture a fragment of Who God is in poetry and verse. The second part is stories from the life of the author and her ancestors which proclaim God in every day living. God is to be in every part and aspect of life, and this book relates stories of life's joys, sorrows, heartrending trials, triumphs, and special times with God, as well as the mundane and the funny happenings of living. There are also poems of God's hand in nature outside the author's backdoor. To proclaim God, you must also live God. This book presents not only His Word but also how His Word can be applied to real-life situations and God's faithfulness throughout generations.

If We Were Giants Apr 12 2022 By world-renowned musician, environmentalist, and humanitarian Dave Matthews, an exciting and poignant fantasy set in wondrous natural environments about a girl who must summon the courage to face her own mistakes before she can help save her peaceful community from a gigantic threat. Kirra, a curious, agile, and outgoing girl, lives in an idyllic community hidden inside a dormant volcano. She and her father are the only two people allowed to venture beyond its walls. Kirra is in training to become a Storyteller like him, and together they travel from village to village spreading fearsome tales designed to keep outsiders away from their secret nest. One day, after hearing rumors of strangers called the "Takers," Kirra leaves the volcano by herself, hoping to discover her own story. But she unknowingly leads the Takers back to her doorstep, and they rob her of everything she has ever held dear. A devastated Kirra is found by a boy named Luwan and adopted into his family, which lives among others high in the trees of a dense forest. Now quiet and withdrawn, Kirra hides her dark past from everyone and never wants to leave the safety of her tree dwelling. Luwan, on the other hand, loves to explore. One day it leads to trouble: He is captured while spying on a group of strangers. The Takers have returned. To save the Tree Folk, Kirra must face her inner demons and summon all her storytelling to weave the most important tale of her life. This compelling novel about overcoming loss, embracing community, and living in harmony with nature is highlighted with a full-color insert of concept artwork, making it perfect for family sharing.

Odd and the Frost Giants Mar 19 2020 The thrilling, wintry Nordic tale by Neil Gaiman, who weaves a magical story of legend and adventure that will enchant readers from beginning to end. Odd, a young Viking boy, is left fatherless following a raid. In his icy, ancient world there is no mercy for an unlucky soul with a crushed foot and no one to protect him. Fleeing to the woods, Odd stumbles upon and releases a trapped bear...and then Odd's destiny begins to change. The eagle, bear, and fox Odd encounters are Norse gods, trapped in animal form by the evil frost giant who has conquered Asgard, the city of the gods. Now our hero must reclaim Thor's hammer, outwit the frost giants and release the gods...

On the Shoulders of Giants Feb 22 2023 From 1920 to 1940, the Harlem Renaissance produced a bright beacon of light that paved the way for African-Americans all over the country. The unapologetic writings of W. E. B. Du Bois and Marcus Garvey, the fervent fiction and poetry of Zora Neale Hurston and Langston Hughes, the groundbreaking art of Aaron Douglas and William H. Johnson, and the triumphant music of Duke Ellington and Louis Armstrong gave voice and expression to the thoughts and emotions that Jim Crow segregation laws had long sought to stifle. In *On the Shoulders of Giants*, indomitable basketball star and bestselling author and historian Kareem Abdul-Jabbar invites the reader on an extraordinarily personal journey back to his birthplace, through one of the greatest political, cultural, literary, and artistic movements in our history, revealing the tremendous impact the Harlem Renaissance had on both American culture and his own life. Beginning with the rise of the Harlem Rens as pioneers of professional basketball, Kareem traces the many streams of historical influence that converged to create the man he is today -- the NBA's all-time leading scorer and a veritable African-American icon. Travel deep into the soul of the Renaissance -- to the night clubs, restaurants, basketball games, and fabulous parties that have made footprints in Harlem's history. Meet the athletes, jazz musicians, comedians, actors, politicians, entrepreneurs, and writers who not only inspired Kareem's rise to greatness but an entire nation's. Kareem Abdul-Jabbar was born in the midst of a cultural reawakening, carried on the shoulders of athletes trying to prove there was a lot more at stake than a ball game, men and women who made music that could break your heart, and writers and intellectuals who gave voice to not just the ideals of a movement but the raw emotions. Kareem tells what it took to get these revolutionaries to Harlem and how they changed the world. A world that is still riding on the shoulders of giants.

The Journey Coloring Book Jul 03 2021 A coloring extravaganza created from The Journey Oracle. Enjoy hours of coloring fun as you put colored pencil, crayon, and/or pen to paper with 46 exquisite drawings. Lovely women making decisions is the theme for this spiritual coloring

Whether defiant, entangled, confined, or appreciated, these messages will have an effect on those pondering the world around them. Or, just color for the fun of it! The images are beautiful and the artwork compelling. Make it your own!

In the Land of Giants Sep 17 2022 A cultural exploration of the Dark Age landscapes of Britain that poses a significant question: Is the modern world simply the realization of our ancient past? The five centuries between the end of Roman Britain and the death of Alfred the Great have left few voices save a handful of chroniclers, but Britain's "Dark Ages" can still be explored through their material remnants: architecture, books, metalwork, and, above all, landscapes. Max Adams explores Britain's lost early medieval past by walking its paths and exploring its lasting imprint on valley, hill, and field. From York to Whitby, from London to Sutton Hoo, from Edinburgh to Anglesey, and from Hadrian's Wall to Loch Tay, each of his ten walking narratives form free-standing chapters as well as parts of a wider portrait of a Britain of fort and fyrd, crypt and crannog, church and causeway, holy well and memorial stone. Part travelogue, part expert reconstruction, *In the Land of Giants* offers a beautifully written insight into the lives of peasants, drengs, ceorls, thanes, monks, knights, and kings during an enigmatic but richly exciting period of Britain's history.

In the Days of Giants Feb 16 2020 "In the Days of Giants" is an excellent read for everyone interested in Norse mythology and culture. It will introduce you to the magical world of Norse heroic and scheming gods, clever trolls, elves and giants. Contents: The Beginning of Things How Odin Lost His Eye Kvasir's Blood The Giant Builder The Magic Apples Skadi's Choice The Dwarf's Gifts Loki's Children The Quest of the Hammer The Giantess Who Would Not Thor's Visit to the Giants Thor's Fishing Thor's Duel In the Giant's House Balder and the Mistletoe The Punishment of Loki

The Last Giants Mar 11 2022 *Levison Wood's documentary series on WALKING WITH ELEPHANTS is available to watch now on Channel 4* This book comes at a critical time. Fifty years ago, Africa was home to just over 1.3 million elephants, but by 1990 the number had halved. Meanwhile in the span of a lifetime, the human population has more than doubled. In Levison Wood's *The Last Giants*, he explores the rapid decline of one of the world's favourite animals. Filled with stories from his own time spent travelling with elephants in Africa, and documenting their migration in his Channel 4 series, *Walking With Elephants*, the book is a passionate wake-up call for this endangered species we take for granted. *The Last Giants* was written to inspire us all to act - to learn more and help save the species from permanent extinction.

The History of Jack and the Giants, Etc Oct 14 2019

On the Shoulders of Giants Jun 14 2022 "Within the chapters of this book I present some stories of my journey toward enlightenment. I will discuss my views on some of the topics I have been researching for over thirty years. I will discuss everything from Consciousness, Energy Healing, Extraterrestrials, Multiple Dimensions, Subtle Energies, the Power of Intent, Quantum Physics, Quantum Mechanics, Reality, Our Potential Future and much more"--Amazon.com.

The Promises of Giants Oct 18 2022 --THE SUNDAY TIMES HARDBACK NON-FICTION & BUSINESS BESTSELLER-- --PORCHLIGHT BUSINESS BOOK AWARDS 2021: BEST BUSINESS BOOK IN THE LEADERSHIP & STRATEGY CATEGORY-- --SHORTLISTED FOR THE BUSINESS BOOK AWARDS 2022-- "THIS IS ONE OF THE MOST POWERFUL BOOKS EVER WRITTEN ABOUT LEADERSHIP." Adam Grant, #1 New York Times bestselling author of THINK AGAIN and host of the TED podcast WorkLife "THE MOST UNLIKELY OF PEOPLE, IN THE MOST IMPROBABLE OF CIRCUMSTANCES, CAN BECOME EXTRAORDINARY." From socio-political chaos and workplace disruption to the climate change crisis, we have never needed people with the skill and will to collaborate to create a better world more than now. We need people who are willing to fill the leadership void. People who will embrace the influence they have. People who believe in improving society and workplace culture - not only because it makes life better, but because it is proven to yield positive results. We need more leaders. *The Promises of Giants* is a challenge to anyone who aspires to make a difference in their environment. Over fourteen promises, it seamlessly intertwines personal anecdotes and workplace and social observation with the latest research, to provide practical, proven tips and strategies to empower you to maximize your own potential and inspire others. It is not a self-help book. It is a how-to guide for winning, rooted in the belief that the most unlikely of people, in the most improbable of circumstances, can become extraordinary. John Amaechi well understands the responsibilities and potential that come with being a giant. *The Promises of Giants* is the product of a lifetime spent observing and studying effective leadership - from accompanying his mother's visits to her dying patients to competing at the highest levels of professional sport, through two decades of management consulting with multinational corporations. These experiences have shown that everyone has the ability to act decisively to influence the world in a positive way. Everyone is a giant to someone.

In The Shadow of Giants Nov 07 2021 What is it like to support a small team in a city where a footballing giant lurks? Leandro Vignoli spent 50 days on the road, getting up close and personal with the fans of 13 football clubs from ten of Europe's big cities to bring you the inside story. This book isn't about glitz and glamour - it's a celebration of each club's identity peppered with a sprinkling of history. From St Pauli's social activism to Millwall's struggle with hooliganism, from Rayo Vallecano's working-class roots to Torino's glory and tragedy, from the Catalan identity to East Germany's socialist past, no stone is left unturned as Vignoli visits teams in Barcelona, Madrid, Munich, Berlin, Hamburg, Lisbon, Paris, Turin, Glasgow and London. Each chapter has a game as a backdrop alongside interviews with fans. A football fanatic himself, Vignoli weaves a narrative filled with passion and understanding that gets to the root of what it's really like to support an underdog side dwarfed by a footballing giant.

Hermione Granger: Harry Potter Student Turned Heroine Feb 27 2021 This title focuses on Hermione Granger from the Harry Potter franchise and gives information related to her backstory, journey, and legacy. This hi-lo title is complete with electrifying and colorful photographs, simple text, glossary, and an index. Aligned to Common Core Standards and correlated to state standards. Fly! is an imprint of Abdo Zoom, a division of ABDO.

Giants Jul 15 2022 Frederick Douglass and Abraham Lincoln were the preeminent self-made men of their time. In this masterful dual biography, award-winning Harvard University scholar John Stauffer describes the transformations in the lives of these two giants during a major shift in cultural history, when men rejected the status quo and embraced new ideals of personal liberty. As Douglass and Lincoln reinvented themselves and ultimately became friends, they transformed America. Lincoln was born dirt poor, had less than one year of formal schooling, and became the nation's greatest president. Douglass spent the first twenty years of his life as a slave, had no formal schooling-in fact, his masters forbade him to read or write-and became one of the nation's greatest writers and activists, as well as a spellbinding orator and messenger of audacious hope, the pioneer who blazed the path traveled by future African-American leaders. At a time when most whites would not let a black man cross their threshold, Lincoln invited Douglass into the White House. Lincoln recognized that he needed Douglass to help him destroy the Confederacy and preserve the Union; Douglass realized that Lincoln's shrewd sense of public opinion would serve his own goal of freeing the nation's blacks. Their relationship shifted in response to the country's debate over slavery, abolition, and emancipation. Both were ambitious men. They had great faith in the moral and technological progress of their nation. And they were not always consistent in their views. John Stauffer describes their personal and political struggles with a keen understanding of the dilemmas Douglass and Lincoln confronted and the social context in which they occurred. What emerges is a brilliant portrait of how two of America's greatest leaders lived.

The Legend of the Dream Giants Sep 24 2020 An orphaned giant named Berg is in search of just one person he can call friend. When he was very young, Berg's mother hid him in a cave and led an angry mob of villagers away, sacrificing her own life to protect her son. In all the years since, Berg has lived alone, the only reminders of his family are his mother's satchel and his recurring dreams of a white bear who shares a magical sand from a fallen star. When the white bear touches Berg with the star-blue sand, he feels safe and happy in his dreams. Sometimes, when he feels lonely, he will risk entering a village to trade a smooth river rock or a feather for food. He's really searching for kindness, companionship, and, maybe one day, someone who will want to get to know him and be his friend. But with every attempt he makes, people only see his massive size and cruelly chase him away, thinking he is Ûnhold--a giant and a monster. Whoever this Ûnhold is, Berg also fears him and hopes they never meet. In his travels, Berg comes upon a new town, a city made of iron where blacksmiths construct all kinds of ironworks from gates to sculptures to chains and weapons. Berg meets a little girl, Anya, who doesn't run and scream in fear like everyone else does. To his amazement and delight, Anya knows about the dream-sand and says she wants to be his friend. The mayor convinces the villagers of the benefit of having a giant around who can protect their city from the dangers he says Ûnhold has in store for them. Anya has learned about the dream-sand from secretly watching Ûnhold use it to trade for food and trinkets, and she suspects the mayor is planning something different than what he says. Fearing the city isn't safe for Berg, she warns her giant friend to flee. When a secret plot is revealed to capture Berg, the young giant has to figure out where he can place his trust. The story follows Berg on his journey and is told through text and graphic novel-style illustrations of beautiful dream sequences that reveal Berg's hopes and memories. Berg's mother appears to him in his dreams as a white bear, patient, nurturing and protective, and he sees himself as a little bear cub. Berg is often unsure what exactly the dreams mean, but sometimes they describe things which are about to happen or give him answers to problems he is facing. This tender and unique story-within-a-story is a riveting tale of loss, longing, adventure, being yourself, and finding the true meaning of friendship.

Giants in the Earth Feb 10 2022 The classic story of a Norwegian pioneer family's struggles with the land and the elements of the Dakota Territory as they try to make a new life in America. Copyright © Libri GmbH. All rights reserved.

Mad White Giant Sep 05 2021 Inspired with youthful dreams of being an explorer, 23-year-old Benedict Allen travelled from the mouth of the Orinoco to the mouth of the Amazon. Allen stumbled on his own through the Amazonian jungle, so coming face-to-face with the harsh reality of being alone in the midst of potentially hostile territory. Allen's first published work develops into a tale full of mishaps, dangers - and sheer bloody endurance. He records how the experience of living in the jungle with Indians taught him how to survive - an ability he quickly found he needed to use.
