From the kitchen to the laundry to the family room to the garden, this latest guide from "Consumer Reports" tells the important information for choosing the latest, best equipment for a home. Ratings charts. Chronicles the best and the worst of Apple Computer's remarkable story. It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's

ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.
