WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR PRIZE 2021 WINNER OF THE SUNDAY TIMES SPORTS BOOK AWARDS BOOK OF THE YEAR THE TIMES AND SUNDAY TIMES SPORTS BOOK OF THE YEAR THE HIGHLY ACCLAIMED SUNDAY TIMES BESTSELLER 'The best book about racism I've ever read' Piers Morgan Through the prism of sport and conversations with its legends, including Usain Bolt, Adam Goodes, Thierry Henry, Michael Johnson, Ibtihaj Muhammad, Makhaya Ntini, Naomi Osaka and Hope Powell, Michael Holding explains how racism dehumanises people; how it works to achieve that end; how it has been ignored by history and historians; and what it is like to be treated differently just because of the colour of your skin. Rarely can a rain delay in a cricket match have led to anything like the moment when Holding spoke out in the wake of the #BlackLivesMatter protests about the racism he has suffered and has seen all around him throughout his life. But as he spoke, he sought not only to educate but to propose a way

forward that inspired so many. Within minutes, he was receiving calls from famous sports stars from around the world offering to help him to spread the message further. Now, in *Why We Kneel, How We Rise*, Holding shares his story together with those of some of the most iconic athletes in the world. He delivers a powerful and inspiring message of hope for the future and a vision for change, and takes you through history to understand the racism of today. He adds: 'To say I was surprised at the volume of positive feedback I received from around the world after my comments on Sky Sports is an understatement. I came to realise I couldn't just stop there; I had to take it forward - hence the book, as I believe education is the way forward.'

Writer's Block May 14 2022 We are Writer's Block. Originally we are just friends on facebook.com; we came together through that medium and began writing and sharing poetry with one another for fun and enjoyment. We come together and share our work and creativity with one another; to socialize and to communicate who we are. We want to keep the creative spirit alive whether we are performers or humble everyday people. We believe that everyone needs a place to express the art that is inside of them. This volume is a testament to what we love. It is poetry from different people with different styles. This is the thank you to those who came to Writer's Block and left. We give this to those who support our creativity, our family and friends and we want all of you to read, and enjoy. Humbly Yours Amen Sterling of Writer's Block

The Spoken Books Uprising Box Set 1 Jul 04

2021 "Reading Books can get you killed." The series that reviewers have called "Sanderson-esque" and "Genius!" For the first time ever, get the first three parts of this new epic fantasy series in one place! In addition to three novels, the box set includes two, never-before-seen

essays by the author about his inspiration for the series and also artwork depicting each of the three main characters! A free preview of Part IV is also included. Part I: The Acktus Trials In the land of Oration, magic is cast by reading aloud words of power from Spoken Books. Only a select few, the Speakers, are born with the ability to do so. But after a disaster nearly destroyed Oration, society grew to fear the Speakers' power and they were hunted and enslaved, never taught to read. Now they live in oppression, unable to use their magic unless a spell is first read aloud to them. Each year, young men and women from Oration's ruling Libraries compete in the Acktus Trials, a journey that takes them through the wilds of Oration to the ruined city of Tome. Once Oration's capital, it is now abandoned, though the Great Library at its center still holds a wealth of Spoken Books. As Speakers are no longer taught to read, they also cannot write, so new Spoken Books have not been created in hundreds of years. The discovery of a new Book is a coveted prize for any young noble. Baztian is a slave to one of Oration's poorer Libraries. When he is selected to accompany his master on the Actkus Trials, he thinks his life is over. The wilds are treacherous, his master incompetent, and their fellow competitors set on winning, whatever the means. But Baz also has a secret—one that could get him killed, but one that also makes him the most valuable of assets during the Trials. Baz can read, and after he saves his master from certain death, he strikes a deal—his secret kept safe in exchange for aiding his master in completing the Trials. But can Baz really help a young man who thinks of him as property? And even if he can, there is much he doesn't know, like the evil that lies in wait beneath the ruins of Tome. Part II: Disclaimer's Discovery *Potential Spoilers Below* Baz and his master are called upon to suppress an uprising among the slaves of Fortune, Oration's wealthiest city. But after an attack separates Baz from the rest of his group, he's unwittingly caught up in the very rebellion his master is trying to stop. And as if things couldn't get any worse, Baz discovers that the most powerful man in Erstwhile might know his secret. A secret that could get him killed. Surrounded by enemies and friends he doesn't trust, can Baz survive and help the slaves of Fortune to freedom? Part III: Disclaimer's Flight *Potential Spoilers Below* Baz and his friends are on the run, allies at a premium, as they search for the savior who will lead the slaves of Oration to freedom. When no one believes that Baz knows who that savior is, he finds his closest supporter is none other than his one-time master, a member of the ruling class against whom the rebels are fighting. When Baz returns to where his adventure—or is it a nightmare?—began, his path finally becomes clear. But even then, there are forces working to betray him, both external and in Baz's own head. Once more, he must face the dark terror beneath the ruined city of Tome, while simultaneously battling the trauma he suffered in the dungeons of Leamina Library. And that's all before the dragons show up. Will Baz persevere and find Oration's savior?

[Together We Rise](#) Jan 30 2021 In celebration of the one-year anniversary of Women's March, this gorgeously designed full-color book offers

an unprecedented, front-row seat to one of the most galvanizing movements in American history, with exclusive interviews with Women's March organizers, never-before-seen photographs, and essays by feminist activists. On January 21, 2017, the day after Donald J. Trump's inauguration, more than three million marchers of all ages and walks of life took to the streets as part of the largest protest in American history. In red states and blue states, in small towns and major urban centers, from Boise to Boston, Bangkok to Buenos Aires, people from eighty-two countries—on all seven continents—rose up in solidarity to voice a common message: Hear our voice. It became the largest global protest in modern history. Compiled by Women's March organizers, in partnership with Condé Nast and Glamour magazine Editor in Chief Cindi Leive, *Together We Rise*—published for the one-year anniversary of the event—is the complete chronicle of this remarkable uprising. For the first time, Women's March organizers—including Bob Bland, Cassady Fendley, Sarah Sophie Flicker, Janaye Ingram, Tamika Mallory, Paola Mendoza, Carmen Perez, and Linda Sarsour—tell their personal stories and reflect on their collective journey in an oral history written by Jamia Wilson, writer, activist and director of The Feminist Press. They provide an inside look at how the idea for the event originated, how it was organized, how it became a global movement that surpassed their wildest expectations, and how they are sustaining and building on the widespread outrage, passion, and determination that sparked it. *Together We Rise* interweaves their stories with "Voices from the March"—recollections from real women who were there, across the world—plus exclusive images by top photographers, and 20 short, thought-provoking essays by esteemed writers, celebrities and artists including Rowan Blanchard, Senator Tammy Duckworth, America Ferrera, Roxane Gay, Ilana Glazer, Ashley Judd, Valarie Kaur, David Remnick, Yara Shahidi, Jill Soloway, Jia Tolentino, Congresswoman Maxine Waters, and Elaine Welteroth. An inspirational call to action that reminds us that together, ordinary people can make a difference, *Together We Rise* is an unprecedented look at a day that made history—and the beginning of a resistance movement to reclaim our future.

The Rise of Real-Life Superheroes Nov 15

2019 Meanwhile, back in the darkened alleys of a city near you... trouble is brewing. A fight breaks out. A mugger shakes down an innocent tourist. Inequality is on the rise. Enter our heroes. Dark Guardian chases off an angry drug dealer in Manhattan. Mr. Xtreme charges in and breaks up a San Diego bar brawl. T.O. Ronin hugs a homeless man on the snowy streets of Toronto. These aren't the big-screen or comic-book heroes that have been increasingly dominating pop culture. They're real-life superheroes: individuals who take on masked personae to fight crime and help the helpless. They don't have superpowers, but they do try to make the world a better place. Lifelong comic-book fan and veteran journalist Peter Nowak goes to the source of this phenomenon, meeting with real-life superheroes in North America and around the world to get their stories and investigate what the movement means for the future of society. To some people, real-life superheroes may seem like quirky outliers or dangerous vigilantes but, as Nowak shows, they are also archetypes whose job is to remind us of the better part of human nature.

Out of the Ashes We Rise Dec 21 2022 Where do you turn for hope and encouragement when your life seems destroyed by the flames of adversity? They are written from one hurting yet hopeful heart to another. Angela shares the inspiration she's received from God's Word, highlighting His faithfulness and bringing strength and joy to continue growing in spite of life's hurts and disappointments.

When We Rise Feb 23 2023 2017 LAMBDA

LITERARY AWARD WINNER The partial inspiration for the ABC television mini-series! "You could read Cleve Jones's book because you should know about the struggle for gay, lesbian, and transgender rights from one of its key participants--maybe heroes--but really, you should read it for pleasure and joy."--Rebecca Solnit, author of *Men Explain Things to Me* Born in 1954, Cleve Jones was among the last generation of gay Americans who grew up wondering if there were others out there like himself. There were. Like thousands of other young people, Jones, nearly penniless, was drawn in the early 1970s to San Francisco, a city electrified by progressive politics and sexual freedom. Jones found community--in the hotel rooms and ramshackle apartments shared by other young adventurers, in the city's bathhouses and gay bars like The Stud, and in the burgeoning gay district, the Castro, where a New York transplant named Harvey Milk set up a camera shop, began shouting through his bullhorn, and soon became the nation's most outspoken gay elected official. With Milk's encouragement, Jones dove into politics and found his calling in "the movement." When Milk was killed by an assassin's bullet in 1978, Jones took up his mentor's progressive mantle--only to see the arrival of AIDS transform his life once again. By turns tender and uproarious, *When We Rise* is Jones' account of his remarkable life. He chronicles the heartbreak of losing countless friends to AIDS, which very nearly killed him, too; his co-founding of the San Francisco AIDS Foundation during the terrifying early years of the epidemic; his conception of the AIDS Memorial Quilt, the largest community art project in history; the bewitching story of 1970s San Francisco and the magnetic spell it cast for thousands of young gay people and other misfits; and the harrowing, sexy, and sometimes hilarious stories of Cleve's passionate relationships with friends and lovers during an era defined by both unprecedented freedom and violence alike. *When We Rise* is not only the story of a hero to the LGBTQ community, but the vibrantly voice memoir of a full and transformative American life.
