An enticing new historical romance from No. 1 New York Times bestselling author Johanna Lindsey. *Marry Me By Sundown* takes you on a captivating adventure in 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father's fortune. Perfect for fans of Julia Quinn's *Bridgerton*. Summoned back to Philadelphia from the social whirl in London, Violet Mitchell never expected to find her brothers living on the edge of financial ruin while their father seeks new wealth in Montana's gold fields. With the family's home and social standing at risk, Violet makes a drastic decision. Morgan Callahan rode away from his family's cattle ranch to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine. Suspecting that the pretty schemer works for the mining outfit that is trying to steal his land, he has no qualms about snatching her and holding her at

his camp where she can do no harm. Morgan underestimated the new thorn in his side. Determined to claim what rightfully belongs to her family, Violet summons up the courage, grit, and spunk to cope with the hazards and discomforts of an untamed land and the disturbingly masculine stranger who holds her fate in his hands. But an error of judgment brings down a hailstorm of calamity and danger that upends her plans and deepens her bond to a man who is not the brilliant match a lady wishes to make but could be all that a strong, passionate woman desires. Utterly captivating. Wonderfully entertaining. Let legendary author Johanna Lindsey capture your heart with her unforgettable romance. She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned. Causal questions like these arise on a regular basis, but most people likely have not thought deeply about how to answer them. This book helps you think about causality in a structured way: What is a cause, what are causes good for, and what is compelling evidence of causality? Author Samantha Kleinberg shows you how to develop a set of tools for thinking more critically about causes. You'll learn how to question claims, identify causes, make decisions based on causal information, and verify causes through further tests. Whether it's figuring out what data you need, or understanding that the way you collect and prepare data affects the conclusions you can draw from it, *Why* will help you sharpen your causal inference skills.
